IN THIS ISSUE: *Video Games Month*

Video Games have evolved from simple shapes manipulated by a joystick controller to 3D renderings of persons, places and things that look more real than reality itself... and that all happened in roughly 40 years! Along the way, Video Games have become a big business, and have seeped into every aspect of our lives... including Comic Books. **PREVIEWS' Video Game Month** pays tribute to this pixelated pastime and the inroads it has made into the world of comics and graphic novels with a look at all of the new and backlist items available. Just look for the VGM icon throughout this issue!

THE TOP TEN GREATEST COMIC BOOK VIDEO GAMES OF ALL TIME (SO FAR)!

Here at **PREVIEWS**, we love ourselves some video games! So in honor of our VIDEO GAME MONTH, we decided to tally our own list of the top ten greatest comic book video games... *so far*. You may or may not agree with our choices (we know there are a bunch not represented here), but we think these ten games have left their marks on the hobby and are some of the most popular with players and fans alike!

A LEAD PIPE TO THE HEAD!

One of my best video game memories dates back to the late '80s (or early '90s, it's a bit of a blur...) when my best bud Chris Cade was visiting from California, and we had sat down in front of my small TV to play some video games on my NES. After playing through a few cartridges, we settled on what has become one of my all-time favorite games: *River City Ransom*. In it, you play as a street-smart martial artist whose girlfriend is kidnapped by a rival gang, and you (and a friend) must punch, kick, and bowl over wave after wave of punks, thugs, and toughs to rescue your gal, as you side-scroll your way across the city. The game allowed you to pick up objects like chains, baseball bats, barrels, and lead pipes, to use as weapons. It also allowed you to use said weapons on your co-op buddy. This led to many moments where "friendly fire" strikes became deliberate attacks, which basically became hilarious fights that ended with both characters pummeling each other into unconsciousness! We laughed ourselves silly, and eventually beat the game... as the first rays of sunrise began to leak through the window blinds. Yep, we'd played all night long... and it was the best damn time I'd had playing video games pretty much ever since.

EDITOR'S note

Our **Video Game Month** celebration is for everyone who has their own video game story, and for those who can't get enough of their favorite pixel heroes. Throughout this issue, we've tagged dozens of comics, graphic novels, books, toys and collectibles with Video Game connections, whether they be items based on games, or video game items based on comics. On the "FlipSide" of this issue, we also rank our *Top Ten Greatest Comic Book Video Games (So Far)*, with some recent hits and older favorites, all sharing one thing in common: they're games based on comic book source material.

We know a lot of our readers are also gamers, and you'll be glad to know that a lot of our staff (yours truly included) are avid gamers as well. We're sure you'll find something great in this issue, video game-related or otherwise, and hope that we'll have you back with us again next month for another selection of the coolest stuff on the planet.

Until then, I'll be spending my time in the *Shadows of Mordor*, *GTA V*, and *World of Warcraft*...

USER's guide

At first glance, **PREVIEWS** can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of **PREVIEWS**, the monthly mag-a-log dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of **PREVIEWS**!

PREMIERCOMICSBOOKSMAGAZINESTRADINGCARDSAPPARELMERCHANDISEGAMESVIDEOS

What is **PREVIEWS**?

PREVIEWS is part magazine, part catalog—a “mag-a-log” of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of **PREVIEWS**, most items will be in comic shops sometime in June.

How do I order from **PREVIEWS**?

Ordering from **PREVIEWS** is easy! There are **3** simple ways to order:

- 1 Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.
- 2 Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of **PREVIEWS**. Fill out what you want to order and hand in to your comic shop by the due date on the cover!
- 3 Ask your retailer about their “Pull & Hold” service.**
Many retailers offer a “pull & hold” or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of **PREVIEWS**, Marvel **PREVIEWS**, and the **PREVIEWS** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling **STAR of the MONTH** backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;

1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;

1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.

1 = Item is expected to ship within 60 days of the EST SHIP DATE.

2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w = Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub JIM zub

This month's featured creator is...

JIM ZUB

Please tell us a bit about yourself!

My name's Jim Zub. I'm a Canadian comic creator and art instructor living in Toronto. Over the past decade I've bounced around in a bunch of different roles learning about the publishing business — starting as a colorist, then illustrating, moving over into an editorial role, and now happily writing a bunch of different creator-owned and work-for-hire comic titles. When I'm not writing comics I teach Animation-related post-secondary courses at Seneca, Canada's largest college.

What are your favorite projects you've contributed to over the past decade?

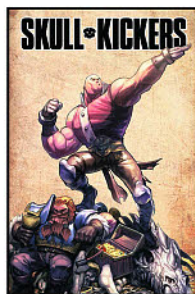

My first major creator-owned work is *The Makeshift Miracle*, originally serialized online and re-mastered/published by UDON Entertainment. It's the project that taught me how to tell a comic story and will always have a place near and dear to my heart. A recent project I did for UDON is called *Wonder Momo: Battle Idol*. Omar Dogan, Erik Ko and I were hired to take an older Bandai-Namco video game title that was never released in North America and update it for a modern audience in comics. It was a ton of fun playing with anime, sci-fi, and pop culture tropes in the story while Omar illustrated up a storm on it. I'm probably best known for *Skullkickers*, a chaotic and joyous sword & sorcery action-comedy that's wrapping up this year. It's the series that raised my visibility and opened up a lot of other comic writing opportunities.

**What fun titles are you reading?**

I'm really enjoying Adam Warren's *Empowered* (Vol. 1: MAY128260) from Dark Horse. It's a naughty romantic comedy with Adam's signature action flare. It's so great seeing him create such a robust and entertaining superhero parody!

Image has been on an incredible tear with new and exciting titles and *Death Vigil* (Vol. 1: MAR150526) is definitely a stand out. Stjepan Sejic's characters are engaging and entertaining, and his artwork is incredibly appealing, page after page.

UDON's *Street Fighter* (Vol. 1 HC: AUG121326) graphic novels are always a pleasure to read. The studio's action-packed art and bone-crunching stories never cease to inspire me.

**New and Classic Titles by Jim Zub:**

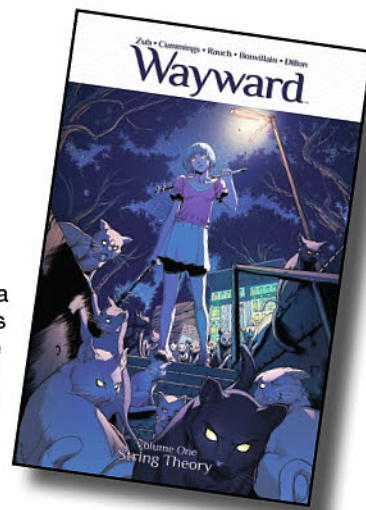

Wonder Momo: Battle Idol Vol. 1 HC (DEC131307)

Makeshift Miracle Vol. 1: The Girl From Nowhere HC (FEB121167)

Skullkickers Treasure Trove Vol. 1 HC (FEB120458)

What are you currently working on?

I'm currently writing *Wayward*, a supernatural action-drama published by Image Comics. It's a bit like "Buffy in Japan" — Teenagers fighting Japanese mythological monsters on the streets of Tokyo. Steve Cummings and I are having an absolute blast putting it together and the readership we're building is passionate about the story. Co-writing two legendary sword & sorcery characters in *Conan Red Sonja* with Gail Simone was a real honor. I grew up reading the original Robert E. Howard novels, so having my name on a *Conan* book is wonderfully surreal. Continuing the story of *Samurai Jack*, the award-winning Cartoon Network animated series, in comics has been one of the best assignments of my career! Working on it with Andy Suriano, who did designs on the original cartoon, is icing on the cake.

MAGNETO REIGNS SUPREME IN MARVEL'S *HOUSE OF M*

MARVEL PREVIEWS, \$3.99, 32 PAGES, PAGE 24

The world is dominated by mutants. They are its leaders, its visionaries, its celebrities. Magneto has achieved his dream — a world-spanning mutant utopia — and he reigns over this new world with his children and grandchildren as the world's new royalty. But Magneto's mutant paradise harbors deep fissures that could tear it apart as Dennis Hopeless and Kris Anka revisit a blockbuster Marvel event in August's *House of M*!

Magneto's dreamed of a world where mutants could never be persecuted and powerless, where they took their rightful place atop the social ladder as the pinnacle of evolution. His actions in saving New York City from an attack by Sentinels thirty years ago gave him a platform and the power to build a mutant-dominated society, one that eventually encompassed the world where mutants lived in freedom and ordinary humans dwindled in numbers, power, and influence. But one man's paradise is another prison, and for long years a human resistance movement has waged a war from the shadows to reclaim humanity's rights and privileges in Magneto's mutant utopia.

Hopeless and Anka return to the world seen in Brian Michael Bendis and Olivier Coipel's 2005 storyline for this new *Secret Wars* event. The world ruled by Magneto never fell, mutants dominate the world, and it has become a mutant paradise, but beneath the surface this paradise holds deep secrets that threaten Magneto's edifice of power.

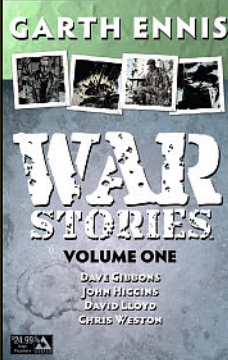

This summer mutants dominate the world and Magneto's iron will reigns supreme as *Secret Wars* takes us back to the *House of M*, an event no *Secret Wars* reader will want to miss!

Garth Ennis grew up reading war comics in the pages of some of Britain's top magazines. Inspired by them, he wrote a series of acclaimed war comics in *War Stories* with artists include Dave Gibbons, John Higgins, David Lloyd, Carlos Ezquerro, and many others! This summer, Avatar Press returns *War Stories* to print, for the first time in a decade, in two newly remastered volumes with new afterwords by Ennis!

Paul and Nick have a talent for being where the action is in Los Angeles, filming it with their camera and getting their footage on the evening news. Their latest scoop — a firefight between the police and a gang — puts them in danger and on the run in *Stringers*, the new Oni Press series by *Arrow*'s Marc Guggenheim! Who knew reporting the news could be so dangerous?

DARK HORSE'S KUNG-FU MASTER *KING TIGER* RETURNS

Dark Horse Comics continues their relaunch of the heroes of Comics Greatest World this August as the mystical kung-fu warrior King Tiger returns to battle monstrous evils that threaten the world!

Living in the remote Nevada badlands, Tiger wields mystic power in the shadows against the world's demonic powers. Assisted by Milo and his girlfriend Rikki, Tiger travels the world, engaged in a battle using his mystical powers and his kung-fu skills to protect the innocent. The result mixes action and magic, creating a unique reading experience!

Randy Stradley is joined by *The Star Wars*' Doug Wheatley for the relaunch of King Tiger. Whether you read his original adventures in the 1990s or are just discovering the character, this August's *King Tiger* #1 is certain to be a rollicking good time!

GILLEN AND MCKELVIE EXPLORE SELF AND IDENTITY IN *PHONOGRAM:* *THE IMMATERIAL GIRL*

Almost a decade ago, Kieron Gillen and Jamie McKelvie introduced readers to the world of *Phonogram*. Phonomancers were magicians who could work magic through music, and they used the music of Britpop to explore questions of personal identity, meaning, and validation. Five years ago, they published a second series, *Phonogram: The Singles Club*, and this summer Gillen and McKelvie, the team behind the acclaimed *The Wicked + The Divine*, return with a third series, *Phonogram: The Immaterial Girl*!

Emily Aster is one of the most powerful Phonomancers known. But Emily Aster, as readers saw in *Phonogram: The Singles Construct*, is very much a construct. Emily made herself into the person she wanted to be, but just under the surface of her psyche lurks the person she used to be, and she cannot banish the damaged, hurting person she buried beneath her new identity. Gillen and McKelvie delve into the life of Emily and explore how the things we value and the way we see ourselves defines the people we are in *Phonogram: The Immaterial Girl*.

THE TRUTH IS STILL OUT THERE IN *THE X-FILES: SEASON 11*

Fox Mulder and Dana Scully spent almost a decade investigating weird happenings, alien sightings, and government conspiracies in Chris Carter's beloved sci-fi series, *The X-Files*. IDW Publishing picked up the reins of *The X-Files* with *The X-Files: Season 10*, and this summer they push the story even further with *The X-Files: Season 11*!

Mulder has been discredited and forced underground. Ostensible allies look on him with suspicion, the government has declared him a terrorist, and his mission to uncover the truth now has a personal dimension as he must also clear his name! The work of the Glasses-Wearing Man is behind this, and Mulder and Scully will face their greatest challenge yet in Joe Harris and Matthew Dow Smith's *The X-Files: Season 11* from IDW Publishing!

| | |
|----------------|----------------|
| On sale Oct 14 | b&w, 232 pages |
| \$24.99 | HC, 7" x 9" |

Twin brothers Omar and Yaqub may share the same features, but they could not be more different from one another. After a brutally violent exchange between the young boys, Yaqub is sent from his home in Brazil to live with relatives in Lebanon, only to return five years later as a virtual stranger to the parents who bore him, his tensions with Omar unchanged. Family secrets engage the reader in this profoundly resonant story about identity, love, loss, deception, and the dissolution of blood ties.

- From the Eisner Award-winning and *New York Times* best-selling duo behind *Daytripper*, Gabriel Bá and Fábio Moon!

NEW GROUNDBREAKING WORK FROM BÁ AND MOON!

"Bá's distinctive lines render characters in minimal strokes; clever transitions, well-placed shadows, and atmospheric scene-setting live up to the twins' already well-deserved reputation for beautiful art."

GREEN RIVER KILLER: A TRUE DETECTIVE STORY TP

Jeff Jensen (W) and Jonathan Case (A)

| | |
|----------------|----------------|
| On sale Oct 21 | b&w, 240 pages |
| \$19.99 | TP, 6" x 9" |

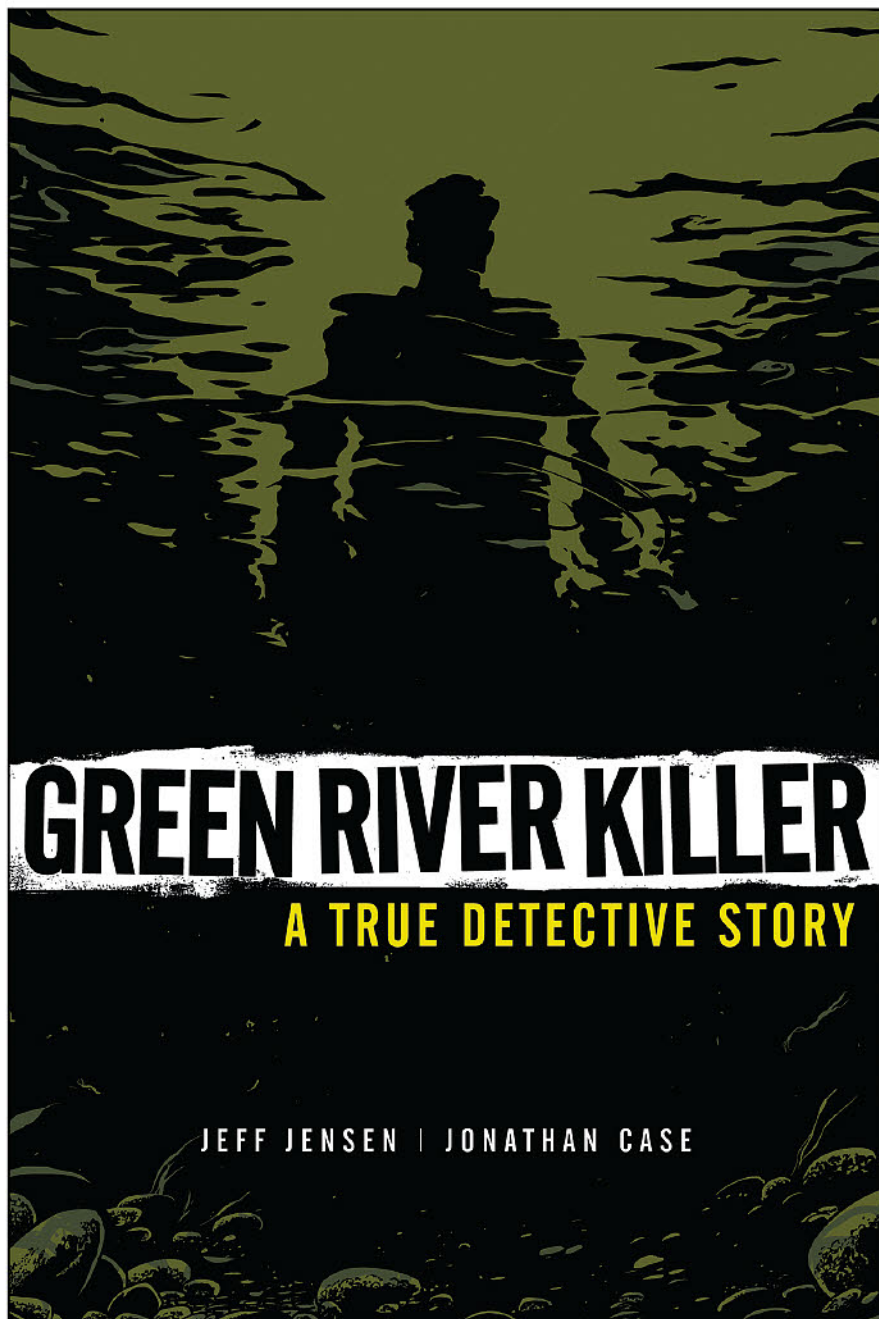

Throughout the 1980s, the highest priority of Seattle-area police was the apprehension of the Green River Killer, the man responsible for the murders of dozens of women. In 1990, with the body count numbering at least forty-eight, the case was put in the hands of a single detective, Tom Jensen. After twenty years, when the killer was finally captured with the help of DNA technology, Jensen spent 180 days interviewing Gary Leon Ridgway in an effort to learn his most closely held secrets—an epic confrontation with evil that proved as disturbing and surreal as can be imagined.

- From the screenwriter of *Tomorrowland*!
- The Eisner Award-winning true-crime graphic novel now in paperback!

“An astounding graphic novel—this is not just a riveting, relentless crime story, but a crackling morality tale pitting the dark glamour of evil against the day-to-day hard work demanded in the upkeep of decency. It’s a chilling, unnerving story, with sharp bursts of humor and a strong, true, humane heart. Absolutely fantastic.”

—Gillian Flynn, New York Times best-selling author of Dark Places and Sharp Objects

“Terrific. It’s got the scariest opening sequence I’ve read in years, and the novel as a whole makes compelling stay-up-late reading. Great, creepy stuff.”—Stephen King

On sale OCTOBER 14 • 160 pg, FC, \$22.99 US

MATURE READERS

Acclaimed chef, writer, and television personality, Anthony Bourdain, and Joel Rose (*Kill The Poor*) return for the follow-up to their #1 *New York Times* bestseller, *GET JIRO!*, from Vertigo.

In *GET JIRO: BLOOD AND SUSHI*, Bourdain and Rose examine the origins of the mysterious Jiro and what made him into the chef he has become. Born the heir to a Yakuza crime family, Jiro never longed to travel the criminal path laid out before him, but instead chose to secretly study the rich culinary history of his homeland—something that would have significant repercussions if discovered by his gangster father! And as Jiro's interest in the culinary arts deepens, the challenge of keeping his artistic and criminal worlds separate becomes too great, triggering a great personal loss that will forever change Jiro's path.

MILLENNIUM

MILLENNIUM

writer Joe Harris • artist Colin Lorimer
cover menton3

Fifteen years ago, the end of the world—the anticipated “Millennium Event”—was avoided thanks to the efforts of Frank Black and FBI agents Fox Mulder and Dana Scully. Or was it? Frank’s psychic gifts have been showing him that evil has continued to grow unabated in the world, and he’s trying his best to ignore it. But soon the resurgence of the Millennium Group and their quest to find Frank’s daughter, Jordan, will pull him into the fray once again.

THE PILOT SEASON WINNER RETURNS!

Modern society is obsessed with outward beauty. What if there was a way to guarantee you could become more and more beautiful every day? What if it was a sexually transmitted disease? In the world of *The Beauty*, physical perfection is attainable. The vast majority of the population has taken advantage of it, but Detectives Foster and Vaughn will soon discover it comes at a terrible price.

Writer/artist **JEREMY HAUN** (*Constantine*, *Batwoman*) and co-writer **JASON A. HURLEY** offer up a startling reflection on the cost of looking good in this procedural science fiction tale.

"LEGACY"

The world has changed—yet for good or ill remains to be seen. For those mourning the deepest losses, the cost of transition has come at too steep a price. Faced with wounds that might never heal, the denizens of the Shadow Time must come to terms with the small part they serve in a far larger drama. And Wotan demands one final sacrifice!

The grand finale of an 8-year creator-owned vision!

Marvel Select Savage Hulk Action Figure

A Diamond Select Toys Release! Whenever a new Hulk figure appears in the Marvel Select line, the results are always "smashing"! Based on the character's earliest appearances, this all-new Savage Hulk action figure wears the tattered outfit that harkens back to his origins, when nuclear scientist Dr. Bruce Banner was caught in an atomic blast and first transformed from a man into a monster. Sculpted by superstar Marvel Select sculptor Gabriel Marquez, this Hulk figure stands approximately 9 3/4" inches tall with 14 points of articulation. He comes packaged in oversized Select-style packaging, perfect for display or storage, with reference artwork on the spine.

VIDEO GAMES MONTH: (LOTS OF) QUARTERS REQUIRED!

Video games have been around since the '70s, when the Atari 2600 took the world by storm with never-before-seen graphics and gameplay. At the time, comics weren't the big deal they are today, so Video Games weren't initially seen as the "threat" to Comics that they would later be considered. So it wasn't unusual to see ads on the backs of comics for many of the Atari, Intellivision, Coleco, and other game brands, or on interior ads inside the comics. As the world of Video Games ebbed and flowed (as did the comics), the comics/video games relationship went from friend to foe to friend in a matter of years, bringing us to today, where many of the top video game properties have become comic books that expand and enhance their game worlds beyond the scope of the gaming platform and onto the printed page. It's hard now to imagine a comics industry without a connection to video games. With that in mind, we pay tribute to this melding of print and pixels with our Video Game Month! Below you'll find just a sampling of great video game-themed and related titles, that bring the world of video games to comics shops each month.

KILL LA KILL
Udon Entertainment

The long awaited release of *Kill la Kill* by Udon is finally here!

Ryuko Matoi, a drifter transfer student determined to find her father's murderer, leads to conflict at Honnouji Academy where elite students have been gifted superhuman power by use of special uniforms. When Ryuko clashes with the student body looking for answers, it triggers events that warrant after school detention, and may cause the world to fold altogether. Whether it's the spirited art style, intense pacing, or the over the top battles that drives this series, *Kill la Kill* pushes it all to the edge. *Kill la Kill* seeks to define the limits of awesome, bursts through them, and by the time you pick your jaw off the floor, you will be smacked in the face again with another volley of mind-boggling action.

Written by Kazuki Nakashima of the hit manga series *Tengen Toppa Gurren Lagann* and illustrated by Ryo Akizuki, this the one size fits all when it comes to a fun, action-filled ride with tons of slapstick humor that will knock your socks off!

O/A GRUBBY LITTLE SMUDGES OF FILTH GN

(W/A/CA) Daniel Reed

In a land ruled over by a self-indulgent king, a prisoner uses whatever filth is at hand to create a work of great beauty on his cell door. When it is discovered, those who seek to profit from his talents drag the artist through the thorny forests and sterile deserts of the kingdom. Only when he stands before the King himself will we learn of his true nature. We proudly present Daniel Reed and his cautionary tale about an artist who has created the world's most beautiful piece of art using his own boogers. (STK656202)

O/A SANCTUARY TP

(W/A/CA) Stephen Coughlin

The first of SLG Publishing's digital first comics comes to print. A research station on a secluded island houses a game reserve/sanctuary where the animals seem to be just a tad smarter than the human researchers observing them. The arrival of a Panda bear threatens to upset the delicate balance of life for everyone involved. On the surface everything seems normal enough, but beneath all the cuteness lays something sinister and more than a little creepy. (STK630120)

BOOK OF DEATH: FALL OF NINJAK #1

Valiant Entertainment

New York Times bestselling writer Matt Kindt continues his exploration of Ninjak in August with *Book of Death: The Fall of Ninjak* #1. Tying in to Valiant's summer epic, *Book of Death*, Kindt weaves a century's long tale as we learn what happens during the final hours of an elder Colin King. With a lifetimes worth of adventures behind him, the torn Ninjak must now face his ultimate fate as foretold in the *Book of the Geomancer*.

Trevor Hairsine reteams with Kindt after their tour on Valiant's *Divinity*, a book highly renowned for its artistic excellence. Hairsine brings his absolute A-Game on the art duties. Additionally, this book has some of the best covers in the biz, featuring striking images by Kano, Clay Mann, Robert Gill, and Das Pastoras. There's plenty to go around for old and new Valiant fans alike.

Matt Kindt's *Ninjak* ongoing series has been a richly entertaining ride and the *Book of Death* one-shot certainly looks to continue that while ramping up the stakes. With everything hanging in the balance, this big picture tie-in is certainly not one to miss.

While stranded on Bornhome, Langer gets close to a few of the planet's residents—some pleasant, like orphaned child Timi, and some terrifying, like the wraithish beasts called Kind Souls who wander the abandoned fairgrounds looking to kill. The most intriguing person he meets is Shane, a mysterious woman looking after Timi and a large group of abandoned kids. But unbeknownst to them, one of the pirates from the space battle—Langer's longtime nemesis, Tash—has also crashed on Bornhome, and has his own self-serving motivations...

WAR STORIES 01 TPB NEW EDITION

Retail Price: \$24.99 US

Writer: Garth Ennis • **Artists:** Dave Gibbons, John Higgins, David Lloyd, Chris Weston

MR, Color, 240 pages: For the first time in a decade, the original War Stories are back in print! Fully re-mastered, these stunning works have never looked so good. Featuring some of the finest war comics ever done, with scripts by Garth Ennis (*Preacher*, *Crossed*, *The Boys*) and art by some of the biggest names in comics. Collected in Volume 1 are:

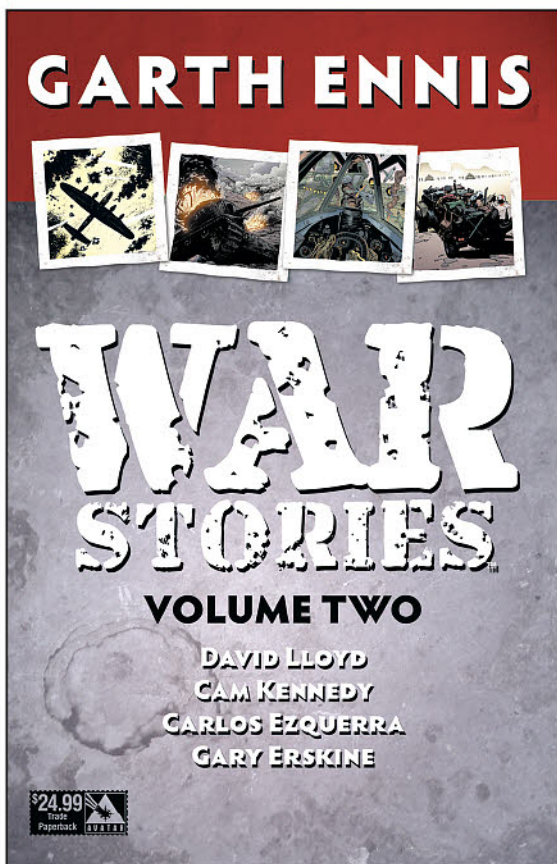

Johann's Tiger: Drawn by Chris Weston (*The Filth*). A German tank crew face their own damnation in the twilight of the Second World War, as old ghosts and old sins catch up with them.

D-Day Dodgers: Drawn by John Higgins (*Pride & Joy*). British soldiers in the remote Italian campaign find themselves fighting a forgotten war, while others closer to home reap the glory.

Screaming Eagles: Drawn by Dave Gibbons (*Watchmen*). Exhausted by years of combat, American paratroopers come to the end of the road- and are suddenly granted a strange reward.

Nightingale: Drawn by David Lloyd (*V for Vendetta*). A Royal Navy escort ship on the nightmarish Arctic convoy run hits trouble- and only the ultimate sacrifice will earn her crew redemption.

Features an afterword by Ennis discussing the real-life origins of all four stories.

WAR STORIES 02 TPB NEW EDITION

Retail Price: \$24.99 US

Writer: Garth Ennis • **Artists:** David Lloyd, Cam Kennedy, Carlos Ezquerra, Gary Erskine

MR, Color, 240 pages: A new re-mastered edition of the second volume of the original War Stories, written by Garth Ennis (*Preacher*, *Crossed*, *The Boys*) and featuring art by some of comics' all-time greats. Volume 2 features:

J for Jenny: Drawn by David Lloyd (*V for Vendetta*). The nightly operations of an RAF Lancaster bomber are dangerous enough, but discord among the crew could mean their end.

The Reivers: Drawn by Cam Kennedy (*Rogue Trooper*). In the western desert, an SAS patrol wreaks in night-time raids against German units- but their leader holds a dark secret all his own.

Condors: Drawn by Carlos Ezquerra (*Judge Dredd*). During the brutal Spanish Civil War, four soldiers from four different armies find they have a lot in common- but not quite enough to end the conflict.

Archangel: Drawn by Gary Erskine (*Dan Dare*). A down on his luck RAF pilot runs afoul of his commanding officer, and ends up "volunteering" for a terrifying one-way trip.

Features an afterword by Ennis in which the real-life inspiration for the stories is revealed.

DARK GODS VOL 01 TPB

Retail Price: \$19.99

Cover: Christian Zanier • **Writer:** Justin Jordan

Art: German Erramouspe, Michael DiPascale

MR, Color, 160 pages

"Dark Gods (has) gratuitous blood and gore, some nudity, and a certain style of Lovecraftian horror that roots itself in generations of history and lore." -Rhymes With Geek

About: Justin Jordan is unleashing some ancient evil! For millennia the human race has felt safe in its orderly world never imagining the chaos that lurks just outside the boundaries of reality. The mysterious Murdock leads The Storm, a group of heroes that are humanity's last line of defense against the brewing Primordial Chaos and The Serpent, Tiamat herself! Her hideous monster children slowly emerge ahead of Tiamat's return as human-creature hybrids set upon inflicting horrors in their wake and preparing the world to submit to the ultimate force of chaos. The Storm has to prevent this invasion, stop the rest of humanity from breaking into panic, and hold back the flood of horrors that come with the return of the original evils, the Dark Gods themselves! This volume collects the Dark Gods #1 - 6 comic book series.

C: Jacen Burrows • **W:** Simon Spurrier **A:** Fernando Melek, Javier Barreno

MR, Color, 4 Volumes: This four volume collection of Simon Spurrier's complete award winning *Crossed: Wish You Were Here* Volumes 1- 4 is beautifully presented in a value priced collector's slipcase edition for the first time! A contagion—or a curse—has decimated the planet. Marked with a bloody cross, the Infected are driven to indulge their sickest desires. In this world of psychos, savages, and sexual predators, the few remaining uninfected learn to keep moving: endlessly fleeing fate. This is the story of those who refused. Those who are too desperate, too angry, or too broken to hide from horror. It's the story of a comic-book writer who witnessed the downfall of London, and now finds himself in the midst of a new community, a new start, on a barren island off the Scottish coast. Pretending, just for a while, that he's safe, that he's useful...that he has a future. It won't last. There's no sanctuary. No fighting back. No hope. There's only the Crossed.

BLEEDING COOL MAGAZINE Issue #18

Retail Price: \$5.99 US

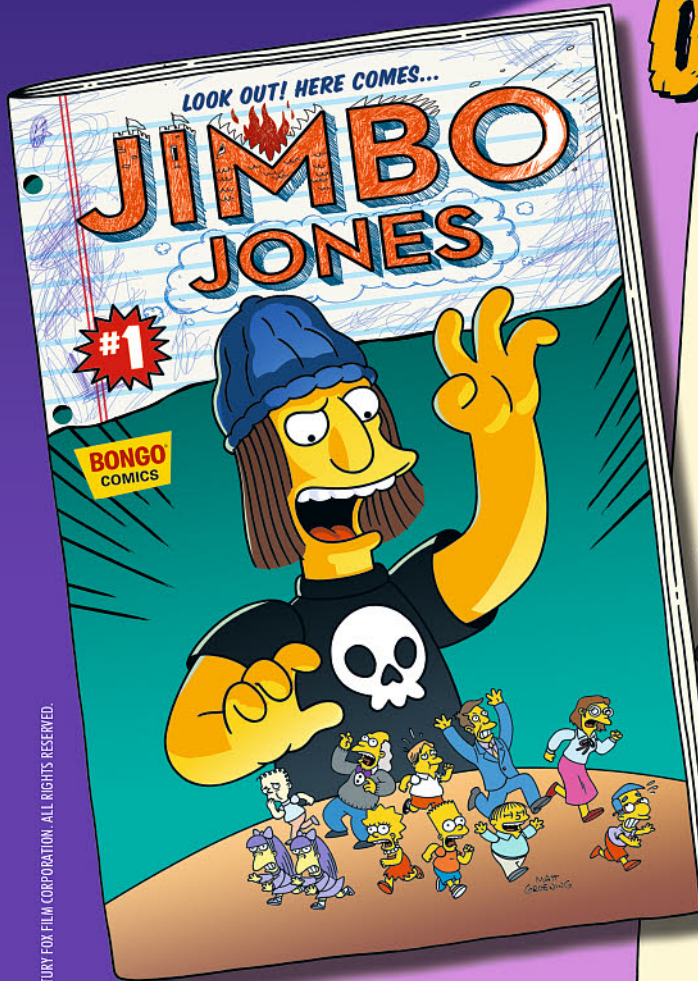

MR, Full Color, 128 pages

ABOUT: Stand out titles with an “indie” status in style and sensibility are giving the Big Two a run for their money right now. These are the comics that take risks in subject matter and visual storytelling techniques, but where does this innovation come from? Much of it comes from the field of “creator-owned” comics, gaining increasing momentum. This issue of *Bleeding Cool Magazine* will crack the code on what it means to be “indie” in comics in 2015, and how great minds are impacting the direction of comics. RICH JOHNSTON will track the rise of independent creators and

examine the most influential titles right now, and we’ll delve into the most cutting-edge indie-flavored comics from major publishers this year. We’ll also look at what it currently means to be independent in filmmaking and video game creation and you’ll find included our Price Guide on creator-owned and independent comic titles rocking the collectors’ market. **LITTLE NEMO'S
BIG NEW
DREAMS**
TOON Graphics

Recently Locust Moon Press offered *Little Nemo: Dream Another Dream*, a tribute to the work of Winsor McKay as well as a showcase for many creators taking advantage of a format from the past and transfusing it with a modern perspective of comic strip storytelling.

While the true collector did not find the format and price a deterrent to adding that book to their collection, many new and young readers were not ready to commit to a book of that size and price.

TOON Books, a leader in graphic novels for the beginning and younger reader, in their TOON Graphic line is publishing *Little Nemo's Big New Dreams*. This edition is edited by Locust Moon Press' Josh O'Neill, Andrew Carl, and Chris Stevens with forewords by Art Spiegelman and Francoise Mouly. With this edition they have selected more than thirty glorious, unforgettable, or even silly dreams taking Nemo on a journey out of 1905 and, dream by dream, exploring the wild and wonderful world of today's most imaginative comic book creators.

With creators such as R. Sikoryak, Craig Thompson, Yuko Shimizu, Mark Buckingham, Carla Speed McNeil, Box Brown, Jim Rugg, Gerhard, Roger Langridge and others this becomes one of the must haves from the folks at TOON Graphics. At a reasonable price of \$16.95 and book shelf friendly 7 1/4 x 10 size, this collection is a must read and a great introduction to the world of little Nemo.

WHAT'S TO LOVE

We believe Christopher Sebela is one of the most exciting new comic writers and his idea of reincarnated assassins who are forever fighting, killing, and loving each other throughout endless lives is another reason why. Plus, Jonathan Brandon Sawyer's (*Critical Hit*) expressive art style reminds us of Becky Cloonan and Sean Gordon Murphy, and it's just perfect for *Welcome Back*.

WHAT IT IS

Mali and Tessa have lived hundreds of different lives throughout time, caught up in an eternal cycle as they take part in a war so old that neither side remembers what they're fighting for anymore. As Mali wakes up in her newest life, she suddenly becomes self-aware and starts to question everything, especially why she continues to fight. But elsewhere, Tessa is already on the hunt...

DEAD LETTERS VOL. 1 TP

**CHRISTOPHER SEBELA TALKS WELCOME BACK**

Welcome Back focuses on reincarnation. What fascinates you about it?

Christopher Sebela: Reincarnation is a tidy little metaphor for life, I think. Little bits of us die so we can learn and progress to the next stage and hopefully ascend to some higher consciousness or whatever by the time we get to the end of the cycle. Mostly, though, reincarnation is, to put it crudely, cool as heck. Different belief systems have their own take on it, but for me, the idea of human consciousness being some eternal, ethereal pilot dumping its plane as soon as the job is done to pick another one up was too fun to ignore.

What message are you hoping to send with *Welcome Back*?

Sebela: I'm still figuring it out as I write it, but a lot of the book is dealing with that huge gulf between what we think we're fated to be and what we actually are. Not knowing where the hell you fit into the world and battling to figure out your identity even if everyone tells you you're wrong. Even when you wonder if you might be wrong.

And despite all the blood and guns, we're telling a story about how people find each other, about that connection that exists between people even with all the barriers that might stand between them, the ones in their own heads and the ones society might put on them. Granted, ours are a bit more intense since they're trying to kill each other, but it feels like a way to talk about these things while doing a whirlwind-y spy vs. spy sort of thriller.

WHAT'S TO LOVE

As fans anxiously await the start of the third season of Fox's *Sleepy Hollow* TV show, we've got something to tide them over: a new, original story featuring their favorite characters, with *Sleepy Hollow* team member Eric Carrasco writing.

WHAT IT IS

Based on the Fox TV series! Jenny returns to Sleepy Hollow with an ancient artifact she discovered in tow: the Eye of Providence. It supposedly gives its possessor psychic powers, but when it does nothing for her, she hands it off to Ichabod and Abbie to investigate. But the Eye attracts a demonic bike gang called The Wild Hunt, and they're cutting down anyone who gets in the way of obtaining it.

WHAT'S TO LOVE

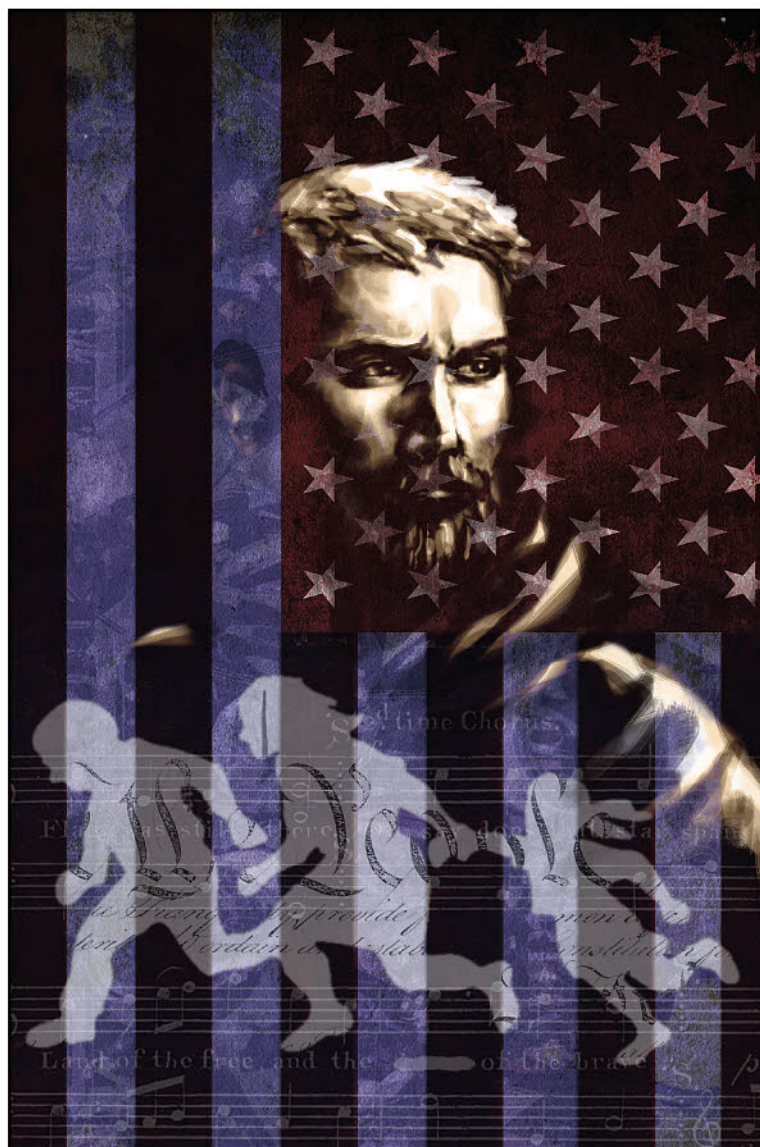

Justin Jordan exploded onto the comics scene just four short years ago with *The Strange Talent of Luther Strode* and caught everyone by surprise. Now he brings us *John Flood*, a series that combines the metaphysical with the procedural in a way we think is really fresh. Joining him is Jorge Coelho, whose fantastic work on *Polarity* and *Sleepy Hollow* made him a BOOM! favorite. Perfect for fans of *Desolation Jones* and *Sherlock Holmes*.

WHAT IT IS

As the result of a government experiment, John Flood no longer needs to sleep, but now he's in a constant dream state and sometimes can't tell what's real and what isn't. A side effect is that he sees patterns and makes connections no one else can, which serve him well in his new "career" as a make-shift PI. Together with a burly ex-cop, Flood begins to investigate when he "sees" one man responsible for thousands of unsolved murders, but now he himself has caught the killer's attention...

WHAT'S TO LOVE

Part social commentary, part family drama, *Americatown* asks: What if the American Dream gave way to the American Nightmare? In their inaugural comic series, screenwriters Bradford Winters (*Oz*, *Boss*, *The Americans*) and Larry Cohen (*Netflix's Borgia*), give us a story great for fans of *Transmetropolitan*, *Children of Men*, and the TV show *Black Mirror*.

WHAT IT IS

After an economic collapse and other disasters in the near future, Americans are now the legal and illegal immigrants living abroad. They find work in cities like Buenos Aires where their very own enclave known as "Americatown" has taken root. Owen, a recent arrival, begins a journey to support and save his splintered family divided between the enclave and home back in the U.S. His struggle is just a small part of the hardships and conflicting agendas in an immigrant community trying to build itself in the shadow of a once great nation.

OVER THE GARDEN WALL #1 (OF 4)

Written by **Pat McHale**Illustrated by **Jim Campbell**Covers by **Jim Campbell**, **Steve Wolfhard** (*Subscription*),
Jeffrey Brown (*Ten Years Variant INCV*),
Michael DiMotta (*INCV*)

\$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

Airing last November, Pat McHale's *Over the Garden Wall* was Cartoon Network's first-ever original animated miniseries. We loved the eerily sweet story of two half-brothers trying to find their way home so much we published a companion one-shot that was quickly snapped up by folks who just wanted more of this world to experience. Now, we're expanding the world of *Over the Garden Wall* with McHale and returning artist Jim Campbell with a full-length story.

WHAT IT IS

A new *Over the Garden Wall* story set between episodes 3 and 4 of the animated series! Wirt and Greg are trying to hitch a ride out of schooltown but end up having to walk. Soon, they come upon two girls playing, and wind up having to keep them entertained so that they don't wake their giant father!

Cover by **Victor Santos**

\$19.99 • 128 Pages • Full Color

WHAT'S TO LOVE

Here at BOOM!, we've never shied away from exploring the dark crevices of the superhero genre. *Black Market* mixes the visceral noir/pulp sensibilities of Frank J. Barbieri's *Five Ghosts* and Victor Santos' *Filthy Rich* with a truly modern take on superhero mythos. If you love Ed Brubaker and Sean Phillips' work on *Sleeper* like we do, this series is for you.

WHAT IT IS

Ray Willis is a broken man, a disgraced medical examiner making ends meet by preparing corpses at a funeral parlor. His scientific genius is being wasted...that is, until his estranged criminal brother Denny shows up on his doorstep, supposedly cleaned-up and proposing a once-in-a-lifetime partnership to cure not just cancer, but all disease. The catch? It exists within the DNA of superheroes. Collects all four issues of the critically acclaimed miniseries.

Cover Design by **Scott Newman**

\$24.99 • 128 Pages • Full Color

WHAT'S TO LOVE

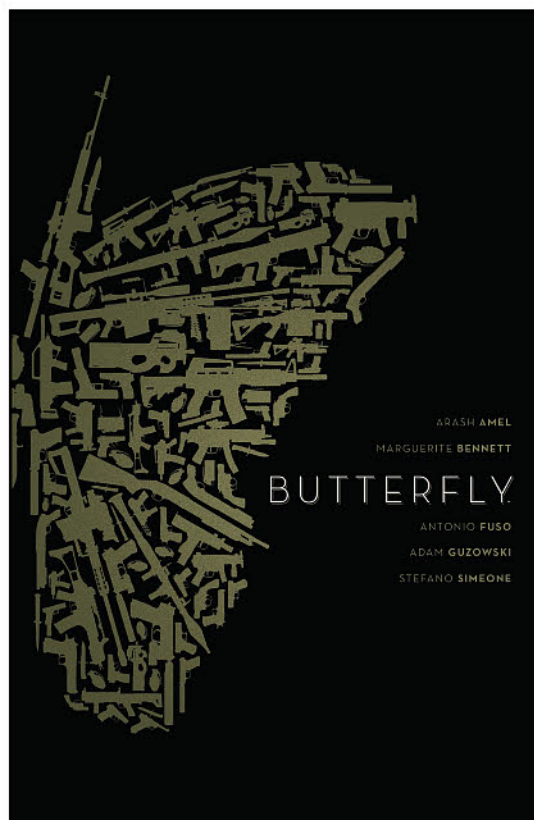

We've all spent hours glued to episodes of shows like *True Detective* and *House of Cards* that explore deeply flawed and morally complex characters. In *Butterfly*, screenwriter Arash Amel (*Grace of Monaco*, *Erased*) brings that aesthetic to comics. Written by Amel and Marguerite Bennett (*A-Force*, *Sleepy Hollow*) and illustrated by Antonio Fuso (*The Girl Who Played with Fire*) and Stefano Simeone, *Butterfly* is a dark thriller that explores the nature of family in the uncompromising world of global espionage.

WHAT IT IS

Butterfly is one of Project Delta's deep cover agents, no birth certificate, no social security number, a complete ghost. When her cover is blown and she's set up for a murder she didn't commit, she is unknowingly led to her father's doorstep, a man she thought died 20 years ago. Trained to trust nothing and no one, Butterfly must decide whether to seek answers with the Project, or believe the man who betrayed her years ago. Collects the complete four-issue miniseries.

"*Butterfly* unfolds delicately but deliberately, introducing us to a trustless world of espionage and the people affected most deeply by it."

BROADWAY

OUT ON THE WIRE: THE STORYTELLING SECRETS OF THE NEW MASTERS OF RADIO SC

(W/A/CA) Jessica Abel
A graphic novel that delivers a behind-the-scenes look at five of the most popular narrative radio shows on the airwaves today, including *This American Life* and *Radiolab*. With the help of *This American Life*'s Ira Glass, Jessica Abel, a cartoonist and devoted fan of narrative radio, goes behind the scenes at five of the most popular storytelling shows (*TAL*, *Radiolab*, *The Moth*, *Planet Money*, and *Snap Judgment*) on the radio to look at the ways that they construct a narrative. *Out on the Wire* is informative, funny, and engaging, and it demonstrates that in the midst of all the other media that consumes us, radio is still very much alive. BABA YAGA'S ASSISTANT GN

(W) Marika McCoola
(A/CA) Emily Carroll
Russian folklore icon Baba Yaga mentors a lonely teen in a wry graphic novel that balances gleefully between the modern and the timeless. Most children think twice before braving a haunted wood filled with terrifying beasts to match wits with a witch, but not Masha. Her beloved grandma taught her many things: that stories are useful, that magic is fickle, that nothing is too difficult or too dirty to clean. The fearsome witch of folklore needs an assistant, and Masha needs an adventure. She may be clever enough to enter Baba Yaga's house-on-chicken-legs, but within its walls, deceit is the rule. To earn her place, Masha must pass a series of tests, outfox a territorial bear, and make dinner for her host. No easy task, with children on the menu! (STK677233) (C: 0-1-0)

Ancient Egyptian demon hunter and shape shifter, Pantha, is thrown across a Rift into the early twentieth century London, straight into the path of Jane Porter, American explorer, aviatrix and new wife to Tarzan. Pantha hasn't come alone, however, as London is plunged into chaos by the appearance of a Great Pyramid in the sky... and what it contains. Up against gods, monsters, Purgatori, and each other, the pair need all the help that ancient magic and modern aviation can supply to stop London from turning into a new hell on earth.

Writer Emma Beeby (Judge Dredd, Doctor Who) and artist Rod Rodolfo (Battlestar Galactica, John Carter: Warlord of Mars) reimagine these two characters - complete with all new costumes - in this turn-of-the-century pulp-action one-shot adventure.

FINAL ISSUE!

The streets of London are no place for a woman all on her own. They are, however just fine for a woman wielding a sword. Dejah Thoris is used to London's dirt, and its rain, but she is growing tired of its people. She and Irene Adler must surely band together to find the Banth and get Thoris back to Barsoom, but to do that, one of them would first have to back down...

Rock n' roll legend Alice Cooper has never been a stranger to the mystic and the macabre. His stage shows were the stuff of legend, featuring snakes and pyrotechnics, the invocation of dark themes and darker forces. But while he was a legend in the waking world, few knew his service as "The Lord of Nightmares" beyond it, where he watched over us while we dreamed, and delivered horrors unto the deserving. Only someone took it all away from him, cast him out of his realm, and locked him away. No longer enslaved to the Clan Black, Alice Cooper will reclaim his dark throne at all costs. All hail the Godfather of Shock Rock! This mind-bending collection includes the complete six-issue Dynamite comic book series, plus Alice Cooper's first-ever comic book appearance from Marvel Premiere #50, featuring the creative talents of Alice Cooper, Jim Salicrup, Roger L. Stern, Ed J. Hannigan, and Tom F. Sutton, fully remastered!

At last, the most shocking event in classic Battlestar Galactica continuity can be told, revealing the fate of the series' most beloved hero! The fleet has been travelling for ten years, and at last the human survivors seem to be leaving the war and the Cylons behind them. But the threats never go away. A voice from the past and a bizarre twist of fate leads Galactica into danger once again, and events will take place that will change everything, forever. With the life of Galactica's favorite son at stake, will Starbuck stifle his need for reckless revenge? Will Adama maintain composure and overthrow all odds? Or will the Cylon menace, stronger and more insidious than ever, wipe out humanity forever?

Collects the complete comic book storyline from Battlestar Galactica: The Death of Apollo issues #1-6 along with a complete cover gallery. As a bonus, this volume also features Dan Abnett's original script to issue #1.

Cody Pomeray had a gift for looking inside a person's soul with just a glance. This ability served him well, as the crook blew through the early 1980s, finding marks and picking them clean. But one fateful night, he targeted the wrong man... and was sentenced to the most savage prison in California. Pomeray would have been beaten to death on his first day if not for the intervention of Barnaby Creed, the most powerful crime lord in the Southland. Now five years later, Pomeray's out on parole, robbed of his special ability, and tasked with doing Creed "a little favor." He has no idea he's just stepped into a long con, and this time... he's the mark.

When the world's most famous detective meets the world's most famous magician... death is the case!

Escape artist Harry Houdini's London tour comes under attack from a mysterious figure that controls the powers of spirits. The goal? To destroy Houdini's career and kill anyone who gets in the way. Houdini reluctantly teams with sleuth Sherlock Holmes, who is locked in a fight of his own. Can the two rise above their own battles to overcome a seemingly impossible force?

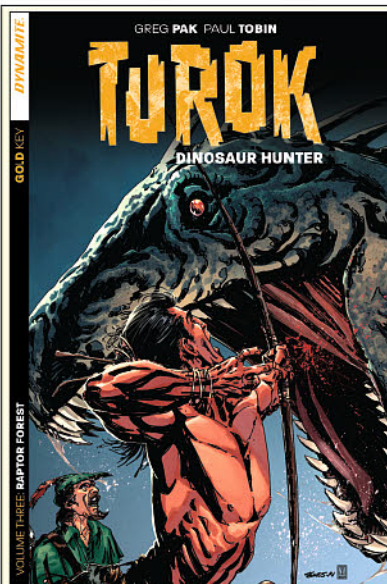

Written by Anthony Del Col and Conor McCreery, the Harvey Award-nominated creators of Kill Shakespeare, Sherlock Holmes vs Harry Houdini is a witty adventure full of magic, spirits, technology and deduction. It's a mystery you won't be able to escape.

"Showing the deductive skills of Holmes, and the magical acts of Houdini, whilst having some enticing dialogue, this is something that fans of both legends will love. Highly recommended." – **Unleash the Fanboy**

ADULT CONTEMPORARY HC

(W/A/CA) Bendik Kaltenborn
Look through Bendik Kaltenborn's kaleidoscopic glasses and glimpse the world the way he sees it: a vibrantly colorful planet populated by lumpy, big-nosed people totally absorbed in their own off-kilter personal dramas. *Adult Contemporary* is a collection of odd imaginings, surrealist comics, and physical comedy gags from Kaltenborn, a *New Yorker* and *New York Times* illustrator. People scramble around in a world they don't understand, happy as can be. A marriage is threatened by soup. Drunk old men quarrel about literature in the witching hour. A con details a small and silly bank robbery from the 1980s.

Norwegian cartoonist Bendik Kaltenborn's *Adult Contemporary* reads as homage to the art of mid-twentieth century cartooning and absurdist sketch comedy. (STK678929) (C: 0-0-1)

THE OWNER'S MANUAL TO
TERRIBLE PARENTING GN

(W/A/CA) Guy Delisle

Guy Delisle, author of *Jerusalem: Chronicles from the Holy City* and *A User's Guide to Neglectful Parenting*, shares nineteen all-new comic strips that pay tribute to all the ways parents can drive their kids crazy, and vice versa. Slipping grammar lessons into bedtime stories, being challenged by difficult toys, and pretending to forget you even have a son: it's all in a day's work for Delisle. In *The Owner's Manual*, Delisle doesn't hesitate to make a slightly bumbling, fictionalized version of himself the butt of the joke, though his children often contribute zingy repartee and laugh-out-loud insight in the stories on display here. *The Owner's Manual* is the perfect antidote to frustrating car rides filled with "Are we there yet?" and epic battles over homework. EVEN MORE BAD
PARENTING ADVICE GN

(W/A/CA) Guy Delisle

Even More Bad Parenting Advice marks Guy Delisle's second foray into the world of offering bad advice to parents, and a second opportunity to express the minor frustrations and many joys of parenting. Delisle's skillful hand at illustration and ironic way with words, which helped to popularize his travelogues about daily life in faraway places, are just as much the stars here as he or his children are. Delisle celebrates the reality that parenting isn't all first steps and gold-starred report cards; it's stinky diapers and never-ending drives to the grocery store, too. (STK646551)

Readers The relationship between young child and all-too-irony-aware parent is beautifully done here, and Delisle's loose flowing style has been set free, creating a wonderful sense of motion throughout. *A User's Guide* is an intimate, offbeat look at the joys of parenting. MELODY: A STORY OF
A NUDE DANCER GN

(W/A/CA) Sylvie Rancourt

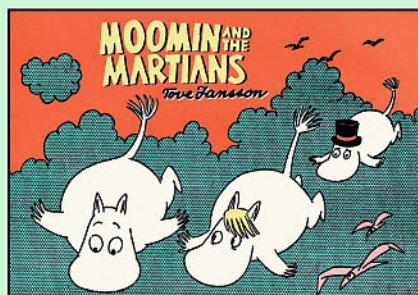

In 1980, Sylvie Rancourt and her boyfriend moved to Montreal from rural Northern Quebec. With limited formal education or training, they had a hard time finding employment, so Sylvie began dancing in strip clubs. These experiences formed the backbone of the first Canadian autobiographical comic book, *Melody*, which Rancourt wrote, drew, and distributed. Later, Rancourt collaborated with artist Jacques Boivin, who translated and drew a new series of *Melody* comics for the American market. The Rancourt drawn-and-written comics have never before seen English publication. These stories are compelling without ever being voyeuristic or self-pitying, and her drawings are formally innovative while maintaining a refreshingly frank and engaging clarity. Rancourt shares a world that, in someone else's writing, might be scandalous or seedy, but in hers is fully realized, real, and often funny. (STK678928) (C: 0-0-1)

MOOMIN AND THE GOLDEN TAIL GN

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. One day Moomin notices that his tail seems to be thinning. Worried that Snorkmaiden will no longer love him if his tail goes bald, he consults the family doctor and several tail specialists, and even gets an X-ray. Nothing helps! Finally Moominmamma cooks up a magic potion, and it works

like a charm, but now Moomin's lustrous new tail is, well, solid gold! (STK624817)

MOOMIN FALLS IN LOVE GN

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. Moominvalley is flooded, so Snorkmaiden and Moomin head out to rescue anyone stranded in the deluge. They bring home Miss La Goona, the leading lady of the visiting circus, who turns out to be quite a demanding houseguest. Nonetheless, Moomin, having read a

few too many romantic novels, falls head over heels in love with her, and chaos ensues. (STK522715)

MOOMIN BUILDS A HOUSE GN

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. After Mymble's family comes to visit the Moomins, her littlest and most badly behaved sister, Little My, is left behind. She promises to behave if she is given Moomin's bedroom; Moomin, tired of being forced out of his room, decides to build a house where all the rooms will belong to him. With Little My helping out, things are sure to go awry, but in the end, Moomin's house-building misadventures teach him the value of a home. (STK522716)

MOOMIN ON THE RIVIERA GN

(W/A/CA) Tove Jansson

As springtime dawns in Moominvalley and the first northern crocus opens, Moominpappa and Snorkmaiden, glamorized by the prospects of movie stars and gambling, insist the whole family take a trip down to the Riviera. Reluctantly Moomin and Moominmamma agree to go along, and the Moomins set off on a grand adventure, complete with butlers, luxury shops, indoor swimming pools, and duels at dawn. With their innocent curiosity about everything, the Moomins prove the perfect foil for the cynical, world-weary residents of the Riviera. (STK646550) (C: 0-0-1)

SPOTLIGHT ON

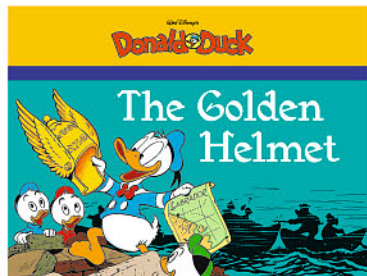

THE ETERNAUT

by Héctor Germán
Oesterheld and Francisco
Solano López

\$39.99 / HC / 368 pgs / BW /
11.5 x 8.5

Now published for the
first time in English, this
seminal 1950s Latin-

American science-fiction graphic novel has it all- Cold War tensions, aliens, and time-travel. Illustrated in a gritty, realistic style and rich with historical and political commentary, *The Eternaut* is an allegory based upon contemporary global events. The lasting power of the story of Juan Salvo's fight to save Argentina has proved a potent symbol of the endless struggle against oppression.

THE GOLDEN HELMET STARRING WALT DISNEY'S DONALD DUCK

by Carl Barks

\$12.99 / SC / 128 pgs / FC / 7.25
x 5.5

"The Golden Helmet"
takes Donald and his
nephews on a rip-roaring
adventure as they bound

across perilous seas and treacherous terrain to recover a fabulous Viking artifact that will give its owner full legal title to all of North America! Plus: Three more bonus tales. This is the third in our affordable, kid-friendly just-right half-height *Donald Duck* books packed with fun, laughs, and incredible adventure. Each story is complete with all the original artwork.

NOT FINAL COVER

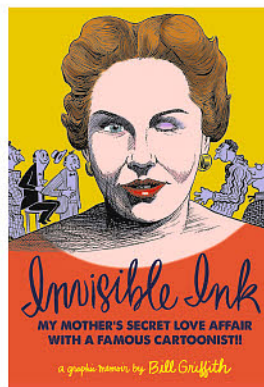

IF YOU STEAL

by Jason

\$29.99 / HC / 208 pgs / FC / 6.5 x 8.5

Jason's latest collection consists of eleven wildly off-kilter stories that mix elements of pop culture and a variety of genres, pastiches and mash-ups in a delightful melange of graphic storytelling. Featuring Frida Kahlo as a hired killer, Santo, the Mexican wrestler, Chet Baker, the JFK assassination, Rene Magritte, Nostradamus and Van Morrison's *Moondance* album as a horror comic, all told with Jason's beguilingly deadpan style.

INVISIBLE INK: MY MOTHER'S LOVE AFFAIR WITH A FAMOUS CARTOONIST!!

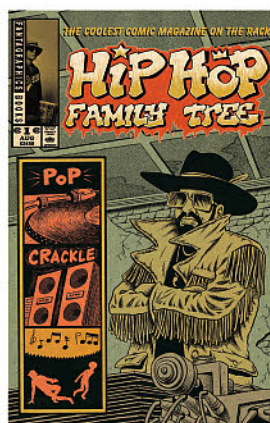

By Bill Griffith

\$29.99 / HC / 208 pgs /
BW / 6.5 x 9.5

Renowned underground cartoonist Bill Griffith has created his first long-form graphic story — a memoir that recounts his mother's secret life in the 1950s and '60s.

Invisible Ink unfolds like a detective story, alternating between past and present, as Griffith recreates

suburban Levittown and Manhattan in the 1950s and '60s. Griffith finally discovers his mother's amorous past in her diary and puts the pieces together to reveal a mother he never knew.

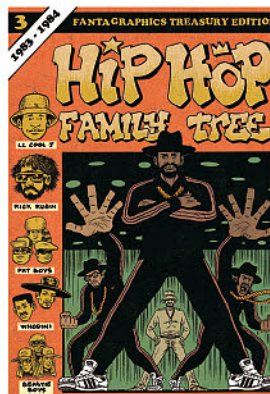

HIP HOP FAMILY TREE #1

by Ed Piskor

\$3.99 / Comic / 32 pgs / FC / 6.5 x 10

The New York Times bestselling book series debuts as a monthly comic book (!) with new covers, artwork, a "director's commentary" section that describes the motivation, process, and research involved in making this masterpiece, plus other surprises! This first issue highlights the breakdancers, graffiti artists, DJs and MCs who formed hip hop culture beginning in the tenement rec rooms of the south Bronx in the 1970s. You'll discover who invented the term

"Hip Hop". You'll see names you recognize like Grandmaster Flash and Afrika Bambaataa and you'll discover where they fit into the culture as pioneers... every month!

SPOTLIGHT ON

HIP HOP FAMILY TREE BOOK 3: 1983-1984

by Ed Piskor

\$27.99 / SC / 112 pgs / FC / 9 x 13

Ed Piskor's acclaimed graphic novel series continues! Book 3 highlights Run DMC's rise to fame and introduces unassailable acts like Whodini, The Fat Boys, Slick Rick and Doug E Fresh. The Beastie Boys become a rap group. Rick Rubin meets Russell Simmons to form Def Jam. The famous TV pilot to the dance show *Graffiti Rock*

and the documentaries *Style Wars* and *Breakin' and Enterin'* are all highlighted in this comprehensive volume spanning 1983-1984. Ed Piskor continues to deliver the goods in this comprehensive history of hip hop.

THE BOOK OF HOPE

by Tommi Musturi

\$34.99 / HC / 224 pgs / FC /

8.75 x 6.75

The Book of Hope slows the reader down to the rhythms of a retired couple living in the countryside. Behind the static, routine moments of everyday life something bigger takes

shape. Intimations of mortality starts to consume the husband, leading to visions and questions. This graphic novel is a thoughtful exploration of the human condition filled with timeless humor found in the series of moments that make up our lives. Musturi's eloquence, and economy will remind American readers of Chris Ware's *Jimmy Corrigan*.

CHICAGO

by Glenn Head

\$24.99 / HC / 168 pgs / BW / 7.5 x 10

Harvey and Eisner nominated cartoonist Glenn Head presents the hilarious and harrowing tale of nineteen-year-old Glenn who abandons suburbia for the gritty, unknown streets of Chicago, where he fends off street predators and depression. Exposure to the work of R. Crumb offers entrée into the world of comix, but a chance encounter with Muhammad Ali allows him to

truly prove his mettle. Like *Mean Streets* crossed with *The Basketball Diaries*, *Chicago* is an unforgettable tale of finding one's identity, and discovering love where it's least expected.

\$35.00 AUG111044

A decades-spanning collection of the underground comix work of the creator of Zippy. Hundreds of seldom-seen strips and stories, with running recollections and commentary by the artist. Plus... the Zippy movie?!

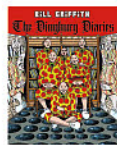

ZIPPY: WALK A MILE IN MY MUU MUU

by Bill Griffith

\$18.95 AUG073645

Zippy hijacked by marauding speech balloon appropriators!? The strip's dialogue is usurped by balloons from old comics like "Beach Blanket Bingo," "UFO Comics," "Mutt & Jeff" and "Steve Roper." Will Zippy get his voice back?

ZIPPY: THE DINGBURG DIARIES

by Bill Griffith

\$29.99 JAN131163

A full two and a half years' worth of dailies and full-color Sundays featuring tales of "Dingburg, the City Inhabited Entirely by Pinheads" — Zippy's home town. Plus God, Mr. The Toad, Zerbina, Little Zippy and more.

THE LAST MUSKETEER

by Jason

\$12.95 OCT073506

Perhaps Jason's loopy premise: the by-now centuries old musketeer Athos has been reduced to a suavely dressed but useless near-panhandler. All this changes when Martians attack Earth, and suddenly a swashbuckling hero is needed.

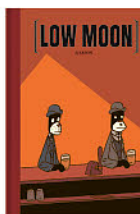

SSHhhh

by Jason

\$16.99 AUG084055

A sharp suite of short tales, ranging from funny to terrifying to surreal to touching, all told entirely in pantomime. Jason's clean, deadpan art style hides a wealth of emotion and human complexity, leavened with a wicked wit.

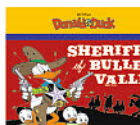

LOW MOON

by Jason

\$24.99 MAR094249

Five yarns from the Norwegian master: the titular New York Times serial collected for the first time and four all-new stories featuring murder, cavemen, sex, and alien abduction. Funny, poignant, and wry, this is Jason at his best.

CITY OF CROCODILES GN

(W/A/CA) Knut Larsson

A post-apocalyptic surreal fantasy by one of Sweden's brightest talents. A mystic and mythical tale of one man's search for something he wasn't aware he needed. In a flooded city, between the houses, crocodiles swim. The crocodile hunter sells his catch to the butcher; his payment is gas and booze. They sit and play games of Croco-chess and drink glasses of crocodile wine. At home, crocodile soup simmers on the stove while the hunter sleeps in his armchair. At dawn he gets a strange catch in his nets. This wordless drama draws you in and keeps hold of you, protecting you from the cold and slimy embrace of this world of crocodiles. (STK678662) (C: 0-0-2)

**ULTRAMAN VOLUME I****Viz Media**

Around 1969 or 1970, I rushed home from school one day to plop down in front of the TV because on this particular day, local cartoon host "Cap'n Mitch" (from KTXL TV-40 in Sacramento) was introducing a new show to their afternoon lineup: *Ultraman*. Now, by this time in my life, I was a dyed-in-the-wool "monster kid," fully indoctrinated into the cult of the Universal Monsters, '50s monster movies, and, especially, Godzilla. I knew this "Ultraman" show had some kind of connection to Godzilla, and I couldn't wait to see it. When the show finally unspooled in front of my eyes, I was hooked.

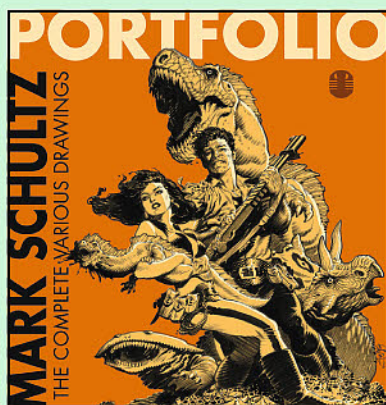

In a nutshell: Hayata, a member of the Science Patrol, is killed in the line of duty when his jet crashes into a UFO he's investigating. The "UFO" in question was in reality Ultraman, a visitor from the distant world of Nebula M-78; a kind of soldier or policeman himself, charged with tracking down escaped monsters. It was this pursuit of the escaped *kaiju* "Bemular" which lead to Hayata's tragic death. Feeling responsible for his death, Ultraman fused his essence with that of Hayata, restoring him to life. He also gave Hayata the "Beta Capsule," an alien device which, when activated, transformed Hayata to the gigantic form of Ultraman.

Together, they fought many monsters and aliens during the original 39-episode run of the TV series, until Ultraman was defeated by the alien "Z-Ton." All seemed lost, until a fellow Ultra, "Zoffy," arrived to release Hayata from his link with Ultraman and return his fallen brother to Nebula M-78. The "Ultraman" would return again in many different incarnations and TV programs (still airing to this day), but for Hayata... the story stopped there. Or so it seemed!

In Viz Media's *Ultraman Volume I* (by Eiichi Shimizu & Tomohiro Shimoguchi) we once again meet Hayata; older, now a father, but haunted by a past he cannot seem to remember. The period from Ultraman's arrival to his departure is a void, and it haunts him deeply. His young son, Shinjiro, loves Ultraman, and while excitedly running about the Ultraman Memorial museum, he accidentally falls from a third story railing... but is unscathed, only shaken. Apparently there is more to Hayata, and his seemingly indestructible son, than meets the eye! They carry a legacy of Hayata's link with Ultraman from years ago... a link which will ultimately lead to a new Ultraman on Earth; an Earth that is once again being invaded by aliens! The past will be remembered, and the legacy of Ultraman will live on in the father, and ultimately the son, in this action-packed manga series!

From 2005 through 2012, Mark Schultz turned his attention to producing a body of personal works and private commissions. Among them are characters and tableaux pulled from mythology, science-fiction and pulp adventure, featuring steely warriors and femme fatales, his popular pulpette women included. Schultz's Xenozoic world is profusely explored through a series of dynamic compositions with his protagonists, Jack and Hannah, placed in a variety of impossibly dangerous situations. In addition to his self-generated pieces, there are many examples of Schultz's commercial works done for comics, film and books, as well as renderings of newly discovered dinosaurs and more. "History as you think you understand it does not exist, Griff. The world you think you know is actually a construct fashioned from the fears of the human race." A scientist working to develop a new source of limitless energy is dead, and the man who was hired to protect him needs to know why. The dead man's niece and a mysterious manuscript from his laboratory safe may hold all the answers, or they may lead down an endless rabbit hole ending in madness and cataclysm. *Storms at Sea* is Mark Schultz's new illustrated novella that explores the border between what we want to believe is true and the reality that we'd prefer to keep concealed. The story is told through 31 pages of prose and 31 full-page illustrations. (STK678876)

THE TRIBES OF KAI GN

(W) Lance HaunRogue
(A/CA) Darren Bader

The Mantakai prepare for a ritualistic rite of passage in which a new lord is to be chosen to rule over their five united tribes. *The Tribes of Kai* is a multi-layered graphic novel about honor, integrity and the trappings of war in which extreme circumstances call for unbridled decisions and finding the strength to cope with them. This is a barbaric and primitive world where the survival of the fittest is put to the test. Artist Daren Bader and writer Lance HaunRogue bring this world to life with lush detail and an incredible sense of pace, color and lighting. They introduce the Mantakai (Man of Kai), a race of six-limbed, feline/humanoid, anthropomorphic creatures. (STK678879)

AN ILLUSTRATED FANTASY HC**

(W/A/CA) Petar Meseldzija

Take a journey with the artist and writer Petar Meseldzija, who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of giants. Told in three stages, *The Book of Giants* includes the illustrated stories *The Giants Are Coming*, recounting a dynamic clash that lasted one hundred years; *The Little Kingdom*, where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders; *The Northern Giants*, who embrace the warrior spirit through countless battles; *Giant Velles*, the story of ignorance and how the strength of goodness perseveres; and *The Great Forest*, wherein the author discovers little creatures called the kep-petz. A year in the making, this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered, going back to ancient times. (STK678878)

"This is not a *Lord of the Rings* or a *Star Wars* where the good guys win because they are right. The good guys in *18 Days* are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth. This epic ends with the destruction of a super-race of kingly humans and paves the way for the current Dark Age in which we live. The essential ambiguity, humanity and realism of these characters, set in this incredible world of the imagination, gives *18 Days* its unique flavor. Introducing a new kind of super-hero from the DC Comics editor and writer who masterminded *Batman's No Man's Land* saga. With his super-strength and endurance, the costumed crusader known as Champion protects the city of Urbana Falls from supervillains and ordinary criminals. But being a super-hero doesn't pay the bills, and with a wife and child to support, Champion — in his secret identity as Michael Midas — makes ends meet as a garbage collector. Even with all his super-abilities, Michael finds being a husband and father more challenging than beating up bad guys. Torn between fulfilling his great responsibilities to his family and his city, he wishes Champion had the power to correct the mistakes of his past — and fix his two lives once and for all. THE RAVEN'S CHILD GN

(W) Tom Sniegoski (A/CA) Tom Brown
New York Times bestselling author Thomas E. Sniegoski introduces readers to a mesmerizing dark world filled with monsters, where humanity's only hope lies in the bravery of one woman. When the Throng came, the human race never stood a chance. The monsters were simply too strong, too numerous. It only took a few months for them to take over and leave the few poor souls who survived cowering in terror for years to come. But even the monsters fear something: the dark goddess known as the Raven's Child. Legend says that she alone is destined to destroy the Throng and free those under their cruel power. And whoever wields her name and image could become the bane of the Throng and an inspiration to humankind — even if she were only a young woman, like Carissa Devin, who has vowed to reclaim the world for the human race! KING #1

(W) Joshua Hale Fialkov (A) Bernard Chang (CA) Bernard Chang, Marcelo Maiolo
From critically acclaimed writer Joshua Hale Fialkov (*I, Vampire*) and superstar artists Bernard Chang and Marcelo Maiolo (*Green Lantern Corps*) comes a post-apocalyptic *Conan the Barbarian* as directed by Sam Raimi circa *Army of Darkness*. King just wants what anybody wants: not to get fired, eaten, or forced to mate with a cheetah lady. As Earth's sole human survivor after the apocalypse, life among Los Angeles' strange, new populace ain't easy. Working for the LA Department of Reclamation, King gets a lot of crappy jobs going on quests and searching for artifacts from the "old world," which can range from the mythical (*Excalibur!*) to the absurd (an iPod Shuffle). As the world's freakish inhabitants battle for supremacy, King searches for the "seed of life," which may give Earth the second chance it probably doesn't even deserve. (STK678175)

Working for the LA Department of Reclamation, King gets a lot of crappy jobs going on quests and searching for artifacts from the "old world," which can range from the mythical (Excalibur!) to the absurd (an iPod Shuffle – which, let's be honest, was a terrible, terrible invention). The work commute can be a real pain in the asphalt. The 405 freeway is filled with mutants, monsters, mayhem and tentacled Elder Gods. And that's all before you hit the horrors of the San Fernando Valley. As the world's freakish inhabitants battle for supremacy, King searches for the "seed of life," which may give Earth the second chance it probably doesn't even deserve.

MAGENTA: NOIR FATALE GN

(W/A/CA) Nik Guerra
A raucous mix of *femme fatales*, bondage and noir, this very handsome new series is vintage risqué and kinky, and just as teasing and campy as the best burlesque. When "Kinky Winky" bondage models Magenta and Lucretia hear of fellow models disappearing at an alarming rate, they volunteer to investigate, uncovering the seamy underbelly of London of the thirties. **NORTH ATLANTIC BOOKS****PHOEBE GLOECKNER: DIARY OF A TEENAGE GIRL GN (REVISED EDITION)**

(W/A/CA) Phoebe Gloeckner

First published 13 years ago, Phoebe Gloeckner's acclaimed *Diary of a Teenage Girl* — a dark story of sex and drugs in the life of a 1970s teenage girl — has a new, revised edition in anticipation of the August release of a new independent film based on the book! This new edition has an introduction by comics scholar Hillary Chute, and features a preface by Gloeckner talking about her experience seeing the book adapted. "I don't remember being born. I was a very ugly child. My appearance has not improved, so I guess it was a lucky break when he was attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. She forges her way through adolescence, unsupervised and unguided, defenseless, and yet fearless. The story unfolds in the libertine atmosphere of the 1970s San Francisco, but the significance of Minnie's effort to understand herself and her world is universal. This is the story of an adolescent troubled by the discontinuity between what she thinks and feels and what she observes in those around her. JUSTIN GREENWOOD (CA/A) **RYAN HILL** (C)

32 Pages, \$3.99, RELEASE DATE: 08/19/15

Paul and Nick are the guys who shoot the news. Filming car chases, fires, and shootouts in their busted-up rig, they put their (uninsured, unsalaried) lives on the line every night so that the good citizens of Los Angeles can get their daily update. But when a firefight between the LAPD and the MS-13 goes wrong, Paul and Nick find themselves on the run.

From Marc Guggenheim (*Arrow*) and Justin Greenwood (*Stumptown*, *The Fuse*) comes an action-packed new miniseries about crime, corruption, and the perfect shot.

224 Pages, \$17.99, RELEASE DATE: 10/28/15

Chris Schweizer's award-winning historical adventure series continues in this new full color edition of *Five Years' Service*. When Legionnaire Peter Crogan loses a friend and comrade to a violent sand storm, he is forced to make a tough choice. Should he wait out the rapidly approaching end of his five-year term of service with the French Foreign Legion, or should he accept an offer of promotion and devote his life to a campaign whose purpose is an enigma to him? Crogan won't have much time to consider his options as he's besieged by the armies of the infamous Tuaregs, under attack from desert raiders, beat down by the relentless heat, and trapped in a cave with a mysterious and terrible creature that is picking off the people in his party, one-by-one...

"The artwork is exciting and the pace never lets up. Crogan and his French legionnaires bring history alive! Full of fun and truthiness!"

HABIBI GN (NEW PRINTING)
 (W/A/CA) Craig Thompson
 Habibi is a deeply romantic story that explores and celebrates the beauty and cruelty, the complexity and depths of the Islamic world. Set in a mythical Middle East, at once contemporary and timeless, Habibi is a parable about our relationship to the natural world and the common heritage of Christianity and Islam. The magic of storytelling allows us to see the fragility embedded in cruelty, to understand how beauty can preserve us from destruction and how love can save us from loss of hope. JUDGE DREDD: AMERICA TP

(W) John Wagner (A/CA) Colin MacNeil
In Mega-City One, the Judges are the law, acting as judge, jury, and executioner. But how do the citizens really feel about a system where they are powerless? America Jara and Bennett Beeny grow up as best friends, living a fairly trouble-free life in a dangerous city... bar the odd encounter with a Judge. Time draws them apart, and when they are brought back together, Beeny is a successful singer and America has become involved with a terrorist organization — with the Judges in its sights! JUDGE DREDD: THE COMPLETE CASE FILES VOLUME 1 10TH-ANNIVERSARY EDITION HC

(W) John Wagner, Pat Mills
(A) Brian Bolland, Mike McMahon
Ten years ago, Rebellion published the first of the Judge Dredd: The Complete Case Files with the lofty aim of collecting every episode ever printed in chronological order. From epic series like The Apocalypse War to Necropolis and beyond, twenty-five volumes, with more to come, have seen the series going from strength to strength. To celebrate the tenth anniversary of this mighty series, Case Files One is being released as a hardback edition, complete with original color center spreads and pages by such esteemed artists as Brian Bolland, Mick McMahon, and Ian Gibson. If you've never sampled Judge Dredd the first time around, this is the perfect starting point! (STK678668) (C: O-0-1)

THE ANCIENT MAGUS' BRIDE VOLUME 2 GN

(W/A/CA) Kore Yamazaki
The Ancient Magus' Bride is an all-new manga series that features a fascinating relationship between a troubled teenage girl and an inhuman wizard. Kore Yamazaki combines a fantastical shoujo style with a darker, brooding tone that is reminiscent of shonen hits like Pandora Hearts and Blue Exorcist. Chise Hatori has lived a life full of neglect and abuse, devoid of anything resembling love. Far from the warmth of family, she has had her share of troubles and pitfalls. Just when all hope seems lost, a fateful encounter awaits her. When a man with the head of a beast, wielding strange powers, obtains her through a slave auction, Chise's life will never be the same again. (STK677769)

D-FRAG! VOLUME 6 GN

(W/A/CA) Tomoya Haruno

The outrageous manga parody of the high school club genre continues! Kazama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match — he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls whom he might actually be attracted to if they weren't so freaking weird. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life, or is it "game over" for our hapless hero? (STK677770) (C: 0-1-0) SC, 192pgs, B&W\$12.99

DANCE IN THE VAMPIRE BUND OMNIBUS VOLUME 6

(W/A/CA) Nozomu Tamaki

Three months have passed since Princess Mina, queen of all vampires, has recaptured the Bund. Somebody is trying to kill government liaison Reiko Gotoh, and it is up to werewolf bodyguard Akira and shapeshifting sheriff Hama Seiji to protect her. Seiji must look deep into his own past in order to uncover the hidden dangers that lurk in the present. The dark secrets he learns may not only affect his ill-fated romance with Gotoh, but could spell the end of the Vampire Bund itself! This omnibus edition contains the interlude series Dance in the Vampire Bund: The Memories of Sledgehammer volumes 1-3, which serves as a bridge between the first and second story arcs of the hit manga series Dance in the Vampire Bund. Dictatorial Grimoire: THE COMPLETE COLLECTION VOLUME 1 TP

(W/A/CA) Ayumi Kanou

Dictatorial Grimoire: The Complete Collection is an omnibus collection that reimagines characters straight out of the Brothers Grimm fairy tales. Each book in the trilogy is presented in an oversized edition that features impressive shoujo-styled artwork and color inserts. Grimm Otagi, a farflung descendant of the renowned Grimm Brothers, has always regarded the fairy tales his ancestors concocted as pure fiction. Upon receiving a posthumous letter from the father he never knew, Otagi transfers to a new school and moves into an abandoned mansion as part of his inheritance. There, he finds a manuscript that reveals the

truth about his ancestors: the Brothers Grimm made a deal with mystical beings known as the Märchen Demons, who now have a claim on Otagi's life. With a dashing male Cinderella as his guide, can Otagi Grimm unlock the power of the manuscript and stop the fairy tale demons before they destroy him first? (STK677777) (C: 0-1-0)

(W) Dall-Young Lim

(A/CA) Kwang-Hyun Kim

The ultra-violent and sexy manga series that spawned multiple hit anime! Extraterrestrial beings have invaded our garden world, hellbent on wiping humanity off the face of the planet. The only hope is a specialized force of genetically-engineered female "Pandoras" and their male partners known as "Limiters," who represent the last line of defense against a horrific alien force. Kazuya Aoi is a Limiter who enrolls in a prestigious academy that trains genetically-engineered soldiers. His first major obstacle is a frigid second-year student known as Satellizer el Bridget, who has remained undefeated in combat simulation. Does Kazuya have what it takes to beat her, while readying himself for an impending war? (STK677771) (C: 0-1-0)

HAGANAI: I DON'T HAVE MANY FRIENDS VOLUME 12 GN

(W) Yomi Hirasaka (A/CA) Itachi

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, the two outsiders become the unlikely allies. Realizing that they have no hope of a normal social life, the two reject decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members join the club who are more socially awkward than they are. Will these quirky misfits ever make normal friends, or are they all doomed to social failure? THE X-FILES: SEASON 11 #1

IDW Publishing

When it was hinted at that *X-Files* might be coming back to television I was hopeful. When it was confirmed to return for a limited series I was beyond thrilled and eagerly started binge watching the original series on Netflix. It had been years since I had seen the series on TV and I had forgotten how attached I had become to the series as a kid. At this point I've already watched 7 seasons and I'm getting close to the home stretch but thanks to IDW there is a lot more material to pour over before the new series kicks off in 2016.

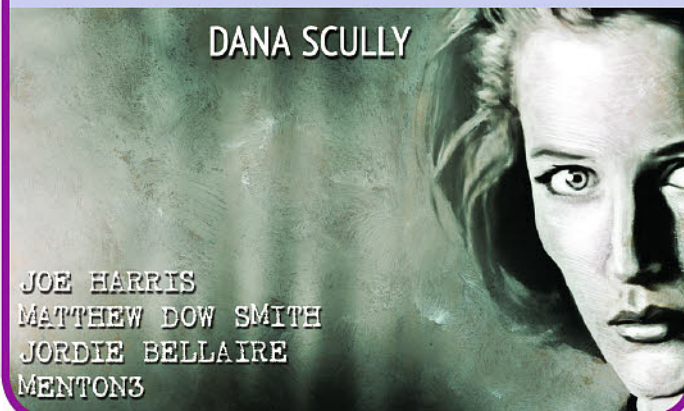

Before the TV show networks jumped back on the bandwagon IDW was already continuing the series with *The X-Files: Season 10* (OCT130418, JUL130331, NOV130304). Fox Mulder's quest for the truth continued in print.

Now IDW is poised to take things to the next level with *The X-Files: Season 11 #1*. Mulder is now a fugitive and his own government considers him a threat on the level of Edward Snowden due to the machinations of Gibson Praise also known as the Glasses Wearing Man. We first met Gibson Praise in season 5 of the television show. Gibson was a highly sought after commodity after having narrowly avoided his own assassination. He is able to read the minds of others due to the fact his DNA structure included extra-terrestrial material.

The arrival of Gibson Praise has now put Mulder in check. How can he stop a man who knows what he's thinking? How can he even escape? Be sure to jump on board with IDW's ongoing *X-Files* series with *The X-Files Season 11 #1* this August. The truth is still out there!

A CHRISTMAS CAROL GN

(W) Charles Dickens, Benjamin Harper
(A/CA) Dono Almar
Ebenezer Scrooge has always hated Christmas, but in this particular Eve, he's given another reason to be wary of the holiday: the ghost of Jacob Marley comes to visit! Clad in heavy chains and burdensome weights, Marley's ghost warns Scrooge that three spirits will visit him over the next three nights, each with a ghastly story to share. Will Scrooge's ghoulish experience teach him to embrace the spirit of Christmas, or will he say "bah humbug" to the holidays for the last time? (STK677782)

Introduction by Neil Gaiman! Chase Darrow is a beautiful weapon. The US government gave her a sexual power that makes her utterly alluring - the perfect weapon for espionage. Yet to kiss a man leaves his life force drained and means that no one can love her without paying the ultimate price. But Chase is now on the run from The Man, another government creation and the first superhero. All machismo, he is sent to bring Chase back, but which weapon will prove the most powerful - love or death? A darkly psycho-sexual conspiracy thriller that taps deep into the worst of American politics and black ops while telling the bitterest of bittersweet romances. (STK678332)

ROBOT INVESTIGATOR GN

(W/A/CA) Vincent Stall

A lone robot investigates an abandoned planet. What happened to the inhabitants? Who were they? *Robot Investigator* follows a lonely robot on an expedition to a mysterious planet that looks a lot like Earth. The story unfolds like a parallel universe *Wall-E* as the robot explores what appears to be a pristine landscape. He meets curious gerbil-like animals and stumbles upon a band of feral humans. Who were they? Why did they turn into wild men? *Robot Investigator* is both sweet and melancholy, cute and grisly. Stall's silent sequences are drawn with an inky, lush, and elegant line filled with expressionistic colors. (STK677787)

KING #1

Jet City Comics

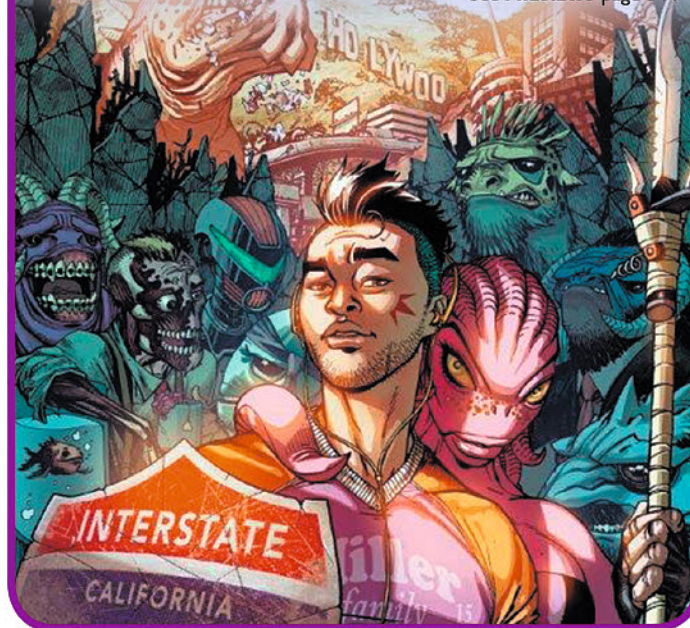

Bernard Chang and Joshua Fialkov hit a sidwinder pitch right out of the park with *King*, a "last man on earth" dystopian wackyland parade. *King* is our last man, and Los Angeles is our mutant-covered hive-world. The freeways are covered in tentacle gods, and the boss man is a behemoth. But that's the thing: the world's over, the human race is shot, but there's still a commute, there's still a supervisor, and just cause you're the last homo sapiens doesn't mean there's not still work to do!

I've got a special place in my heart for ludicrous future fantasy. *Tank Girl? Transmetropolitan?* Let's add *King*. Chang and Fialkov have laid out a world where our protagonist contends with a duck woman sworn to vengeance, a murderous pterodactyl co-worker, and a troop of cybernetic bears. While that's plain crazy from a narrative perspective—these two creators to have the chops it takes to navigate that kind of corkscrew plotting and intricate illustration and bring us all up gasping. So raise a glass, grab an issue, and let's toast! Long live *King*!

What's cooler than Ninjas? Nothing, you say? How about a look into the last days of a war-ravaged Spy-Ninja as the entire universe descends into darkness? Eh?! Beat that!

OPERATION AJAX: THE STORY OF THE CIA COUP THAT REMADE THE MIDDLE EAST GN

(W) Mike De Seve
(A/CA) Daniel Burwen

The year is 1953. As the value of oil sky-rockets, global power brokers are taking an increased interest in the ruling political regimes of the Middle East. Iran's democratically elected prime minister Mohammed Mossadegh's calls to overthrow the elites and take back Iran resonates among the people, and immediately American, British, and Persian agents begin to hatch plans for insurrection. Deals are made behind closed doors. Every actor has a stake. Iran's oil will flow to the West, by any means necessary. *Operation Ajax* is the story of the CIA coup that removed Mossadegh and reinstalled the monarchy. MOOMIN AND THE MARTIANS Drawn & Quarterly

Tove Jansson, the beloved cartoonist creator of Moomin and famed illustrator of several Finnish editions of classic books including *The Hobbit*, celebrated what would have been her 100th birthday last year! Countries around the world from Finland to Japan honored the creator and, to commemorate the event further, Drawn & Quarterly pulled out all of the stops with a *Moomin Deluxe Anniversary Edition* collecting the complete comic strip along with original pencil sketches and other bonus materials!

This month D&Q brings us the next exciting adventure in Moominvalley, *Moomin and the Martians!* Follow Moomin and his friends and family as they discover a Martian space-ship and, in normal Moomin fashion, weird things start to happen!

A beautifully remastered and recolored edition, this book is perfect for children and a perfect addition to any kid's library! Tove Jansson as one of the best and most globally recognizable creators brings us another adventure that, with its lovable cast of colorful characters, will delight everyone young and old and is a must additional to anyone's comic shelves!

When a human boy transfers into a vampire academy, will the poor kid wind up some fanged freak's lunch? Millennium Academy is a school where elite vampires are trained to maintain balance in a world where humans and vampires, who possess far greater physical strength than their human counterparts, coexist. And commuting to this school is Al-dred, the most distinctly un-vampire-like vampire to be found in the entire institution. But when Al encounters Kei, a human transfer student to the school, their destinies become intertwined, and the fate of their world as they know it comes to lie in their hands! **BENDING STEEL: MODERNITY AND
THE AMERICAN SUPERHERO HC**

(W) Aldo J. Regalado

Bending Steel examines the historical origins and cultural significance of Superman and his fellow American crusaders. The cultural conversation articulated through the nation's early heroic fiction eventually led to a new heroic type — the brightly clad, super-powered, pro-social action heroes that first appeared in American comic books starting in the late 1930s. Tracing superhero fiction all the way back to the nineteenth century, Regalado explores the roles played by creators, producers, and consumers in crafting superhero fiction, ultimately concluding that these narratives are essential for understanding vital trajectories in American culture. IT'S A MANS WORLD: MEN'S ADVENTURE MAGAZINES, THE POSTWAR PULPS REVISED EDITION HC

(A) Various

It's a Man's World was first released in 2003. This rich collection, filled with interviews, essays, and color reproductions of testosterone-heavy thirty-five-cent magazines with names like *Man's Exploits*, *Rage*, and *Escape to Adventure* (to name a few), illustrates the culture created to help veterans confront the confusion of jobs, girls, and the Cold War on their return from World War II and the Korean War. The expanded paperback edition includes wartime illustrations and advertisements from mass-produced magazines that preview the xenophobia and racist ideas later seen throughout men's adventure magazines of the '50s and '60s. **STAR WARS: THE ORIGINAL TOPPS TRADING CARD SERIES VOLUME 1 HC**

(W) Paula Block, Terry Erdmann

The Topps *Star Wars* trading cards were originally released in 1977 after the first *Star Wars* movie hit theaters that May. No one expected the movie to become an instant classic, but as licensors scrambled to satisfy the huge demand for kids of all ages looking to own images of their favorite characters and scenes, Topps was the first *Star Wars* licensee. The trading card series proved so popular that five different series were released in the same year. Now, for the first time, all five classic trading card series are being reprinted in book form in a deluxe volume of 516 pages. Each series consisted of 66 cards and 11 stickers. The backs of each card contain additional content including movie facts, story summaries, actor profiles, and puzzle cards. Also includes four exclusive bonus collectible trading cards and an introduction by Gary Gerani, the original editor of the 1977 series of Topps trading cards. (STK678026) (C: 0-1-0)

PENNY DREADFUL SEASON 1 TRADING CARDS

A frightening psychological thriller by three-time Oscar nominee John Logan and Oscar winner Sam Mendes, *Penny Dreadful* features some of literature's most famously terrifying characters, including Dr. Frankenstein and his creature, Dorian Gray, and iconic figures from the novel *Dracula*. The series weaves together these classic horror origin stories as the characters grapple with their monstrous alienation. Cryptozoic Entertainment's *Penny Dreadful Season 1 Trading Cards* revisit the episodes of the first season with images from the series in the 72-card base set. Collectors will find authentic autograph cards from the main cast and guest stars, wardrobe and prop cards with production-used items from the show, and rare hand-drawn sketch cards. Store your collection in the official binder, which comes with a bonus promo card. 5 cards per pack, 24 packs per box. (STK678631) (C: 1-1-1) NOTE: Available only in the United States, Canada, and U.S. Territories.

BATMAN: THE ANIMATED SERIES--JUMBO ROBIN ACTION FIGURE

A Gentle Giant Release! In the fall of 1992, a new animated series debuted from Warner Bros. Animation on week-day afternoons. It would go on to leave a lasting impact on one of DC's most enduring franchises. Gentle Giant celebrates this much loved television show with our Jumbo Batman: The Animated Series Robin Figure. Based on digital scans of the original 1993 Kenner 5" action figure, this Jumbo figure stands 12" tall in 1/6 scale. Every detail is meticulously re-created from the original figure, capturing perfectly the design aesthetic and tone of the series embodied in the Boy Wonder, right down to his black and yellow fabric capel. Re-live a part of Batman history and afternoon nostalgia with Gentle Giant's Jumbo Batman: The Animated Series Robin figure. (STK678867) Scheduled to ship in June 2016. (5498/80573) (C: 1-1-2) Figure..... \$90.00

DC SUPER POWERS: THE FLASH JUMBO ACTION FIGURE

A Gentle Giant Release! In 1984, Kenner began to release the next on their extremely popular action figure lines, the DC Super Powers Collection! Gentle Giant is proud to announce the Flash Jumbo Figure as the newest offering in this stunning line of retro figures. This Flash Jumbo figure was developed using state of the art 3D technology. Gentle Giant Ltd. has taken the original DC Super Powers Flash figure and created a highly accurate digital model with the use of 3D scanners. This digital model was then scaled to 12" tall, and then printed using top of the line 3D Systems printers. These pieces are then used in manufacturing to produce extremely accurate, scaled replicas. The DC Super Powers Collection Jumbo Figures from Gentle Giant will be made from high quality vinyl, and some ABS plastic parts. Many of the figures will also include fabric capes and accessories. Finally, these incredible figures will feature retro art packaging, and come in a protective re-sealable blister pack. (STK678868) Scheduled to ship in June 2016. MARVEL SECRET WARS: MAGNETO JUMBO ACTION FIGURE

A Gentle Giant Release! *Secret Wars* was a 12 part series from Marvel Comics that introduced the character of The Beyonder to the Marvel Universe. The Beyonder, assembles a planet from chunks of other planets and dubs it "Battleworld". Magneto is transported to Battleworld with many other villains, but actually becomes a hero over the course of the story. Digitally scanned from the original *Secret Wars* figures and reproduced in 12" scale, no detail has been overlooked. Roto and injection molded and made of durable plastics with original articulation, this jumbo figure is faithfully re-produced from top to bottom. To further capture the vintage feel, Gentle Giant Ltd. has packaged this figure with a *Secret Wars*-inspired backer card featuring original photos and artwork. Designed with the collector in mind, the figure comes in a resealable plastic outer clam shell to help protect and display this limited edition figure. (STK678873) Scheduled to ship in June 2016. AVENGERS: AGE OF ULTRON: IRON MAN HULKBUSTER ACTION HERO VIGNETTE

A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of model kit techniques allow us to reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Additionally, the figures are set in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. Based on this summer's film, *Marvel's Avengers: Age of Ultron*, this figure recreates Iron Man's custom Hulkbuster armor in 1/9-scale. (STK678679) Scheduled to ship in August 2015. From Yamato USA. Racing across the darkened rooftops of Gotham City, where the city lights can't reach and pursued by the screeching police sirens of Gotham City PD, Selina Kyle, also known as Catwoman, pauses to catch her breath and check on her evening's prize liberated from a luxurious jewelry store. Arching her back and looking at the full moon, Catwoman wonders if she will see the vigilante tonight. She smiles and purrs at the thought, running her gloved hands across the tight, black leather, outfit she wears. If so, she does hope that he'll enjoy the view. You too can allow more than just your eyes to travel across the very beautiful Selina Kyle by owning this sensually sculpted resin statue (by Shin Tanabe) of DC Comics' popular Catwoman character as imagined by renowned artist and visionary Luis Royo and delivered to you by Yamato USA.

O/A GUARDIANS OF THE GALAXY ACTION HERO VIGNETTES

From Dragon Models. A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. From Marvel Studios' blockbuster film *Guardians of the Galaxy* come these 1/9-scale figures of *Star-Lord*, *Groot with Rocket Raccoon*, and *Rocket Raccoon*. Each comes in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. (STK657119) Available Now! Attack on Titan

FEATURED ITEM

ATTACK ON TITAN: LEVI 1/8-SCALE PVC FIGURE

From Good Smile Company. Mankind's strongest soldier. From the popular anime series *Attack on Titan* comes a 1/8-scale figure of the Survey Corps corporal, *Levi*! He has been posed gracefully gliding through the air with his vertical maneuvering equipment as his Scouting Corps cape flutters behind him. His stand is a Titan's head which has also been very carefully sculpted to capture the striking appearance of the Titans. This single figure captures the atmosphere of the *Attack on Titan* world along with Levi's character and the imposing Titan, all in one figure for fans to enjoy! (STK666376) Item has been previously solicited in **PREVIEWS Plus**. Scheduled to ship in August 2015. O/A ATTACK ON TITAN: LEVI ARTFX J STATUE

From Kotobukiya! *Attack on Titan* tells the story of humanity living behind walls to protect itself from huge humanoid creatures. Coming to statue form is the leader of the Survey Corps and the best soldier humanity has against the Titans, *Levi*! Continuing the amazing displays in the *Attack on Titan* ARTFXJ series, *Levi* seems to float in mid-air due to the way he's attached to the sculpted tree-style base. Sculpted by Shin Tanabe, *Levi* is just over 11 inches tall (1/8 scale) as he hurtles over the trees, and his matching display base makes him the perfect companion to the other *Attack on Titan* ARTFXJ Statues. (STK653403) Available Now! (6600/PP559) (C: 1-1-2) NOTE: Available only in the United States, U.S. Territories, Canada, Mexico, and the U.K.

**SENKI ZESSHOU
SYMPHOGEAR G: CHRIS
YUKINE "BLACK BUNNY"
PVC FIGURE**

From Aquamarine. Chris Yukine is back in her bunny outfit once again — this time in black! From the anime series Senki Zesshou Symphogear G comes an alternate color version of the Bunny Girl Chris figure based on the illustration by the character designer and animation director of the series, Satoru Fujimori. The bunny outfit has changed into a black and red color scheme, similar to the colors seen on her Armed Gear! This version has also been closely supervised by Satoru Fujimori, and while the charming sculpt by Abira remains unchanged, the alternate colors give off a rather different atmosphere to this Chris-chan! Stands approximately 8 1/2" tall! (STK676415) Item has been previously solicited in **PREVIEWS Plus**. Scheduled to ship in August 2015. BATMAN: ARKHAM**FEATURED ITEM****BATMAN: ARKHAM KNIGHT PLAY ARTS KAI: HARLEY QUINN FIGURE**

From Square Enix.

Harley Quinn is the lovable villainess who isn't afraid of being called a liar or a cheat! To capture her acrobatic action poses, Square Enix incorporates clicking ball joints in her knees, a technology that allows her legs to look natural and hold poses while still maintaining a wide range of motion. Great care was taken in the sculpting of her outfit so as to accentuate her coquettish charms, but with paintwork that kept a signature creepy tone fit for a villain and mimicked realistic dirt and grime. It really feels like she has just stepped right out of Arkham City. This 10" figure comes with several accessories to tie up all of her unique craziness in one sweet package, including: an interchangeable head, hair pieces, a gun, a bat, and the police hat she wears in one of her most memorable in-game scenes. (STK679325)

Item has been previously solicited in **PREVIEWS Plus**. Scheduled to ship in August 2015. (1089/662248816098) (C: 1-0-1) NOTE: Available only in the Western Hemisphere.

BATMAN: ARKHAM KNIGHT PLAY ARTS KAI: ARKHAM KNIGHT FIGURE

From Square Enix. This

11" figure, based on the enigmatic character from the wildly anticipated new video game, shows off a wide range of different realistic textures, including a symbolic letter "A" emblazoned on the chest, mechanical armor and army fatigues. During sculpting, special attention was paid to keeping a sharp silhouette all around. The Arkham Knight's helmet, which looks very similar to that of the Batman, has a translucent visor and two interchangeable helmet pieces: one to recreate his default appearance, and a second one painted to give a glowing eye effect. Other accessories include a sniper rifle, two handguns, and three interchangeable hands to allow for a variety of action poses, plus a display stand. (STK679317) Item has been previously solicited in **PREVIEWS Plus**. Scheduled to ship in August 2015. (1089/662248816081) (C: 1-0-1) NOTE: Available only in the Western Hemisphere.

ACCESSORIES

LITTLE ARMY OP3 FIGMA TACTICAL GLOVES

From TOMYTEC. TOMYTEC's LittleArmy series is a set of weapons that can be used by 1/12th scale figures. This set of figma hands allows figma figures to hold the weapons from the LittleArmy set, and is being rereleased due to high demand! The hands are modelled off tactical gloves with knuckle guards, which combined with the realistic guns in the LittleArmy series will leave your figmas ready for anything! The set is available in two common military colors — Coyote Tan and Stealth Black. Each set includes four different hands for a total of eight pieces that allow the guns to be held, readied and carefully aimed! Use them together with the LittleArmy set for all sorts of new posing options! The new color suits TOMYTEC's latest LittleArmy weapons perfectly! **Please Note:** Parts are sold as a connected plastic kit. Parts require no assembly but do require tools to be cut apart. The LittleArmy weapons and figma figures are not included. This kit includes the hand parts only. Parts are made to work best with the latest figma figures (No. 200 and over). Please note that older figures may not be compatible. (STK679095) **Item has been previously solicited in PREVIOUS Plus.** Scheduled to ship in September 2015. (6817) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BLACK LIBRARY

WARHAMMER 40K: DEAD SKY, BLACK SUN SC

(W) Graham McNeill

Book three in Black Library's iconic Ultramarines series returns! The Ultramarines are the epitome of a Space Marine Chapter. Warriors without peer, their name is a byword for discipline and honor, and their heroic deeds are legendary. Exiled from the Ultramarines Chapter, former captain Uriel Ventris and his battle-brother Pasiunus embark upon a deadly quest into the heart of darkness — the daemon world of Medregard. There, they must destroy a facility creating new warriors for the Traitor Legions — but Warsmith Honsou and his Iron Warriors stand in their way! Can the Ultramarines complete their mission and redeem their honour, or will they join the ranks of the lost and the damned? This edition also includes the prequel short story "Consequences", in which Uriel and Pasiunus face trial for their breaches of the Codex Astartes, with their lives on the line! (STK679619) (C: 0-1-2)

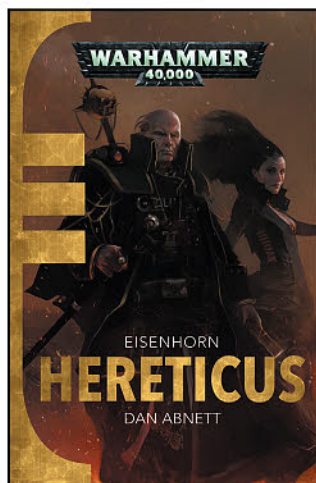

SC, 5x7, 416pgs, B&W \$14.00

WARHAMMER 40K: PYRES OF ARMAGEDDON HC

(W) David Annandale

The thrilling exploits of one of Black Library's most iconic characters! Commissar Sebastian Yarrick returns to action to defend the world of Armageddon. When the largest Ork horde seen for centuries hits the hive world, the Imperial forces are faced with an overwhelming attack. As battle rages across the planet, Yarrick and his allies lead the defense, striking at the Orks in a series of daring assaults. Even if it means incurring the wrath of Armageddon's corrupt Overlord, Commissar Yarrick will not let Armageddon fall! (STK679625) (C: 0-1-2)

HC, 6x9, 336pgs, B&W \$28.00

WARHAMMER 40K: HERETICUS SC

(W) Dan Abnett

Part three of the epic Eisenhorn trilogy returns! Hunted by his former allies as a radical and enemy of the Imperium, Inquisitor Gregor Eisenhorn must fight to prove that he remains loyal as he tracks down a dangerous heretic whom the Inquisition believes dead — the dread former Inquisitor Quixos. As he grows more desperate for victory, Eisenhorn uses ever darker means to achieve his goals — but how far can he go using the weapons of the enemy until he becomes that very enemy — and no different to the traitor he hunts? CAVE TROLL BOARD GAME (2015 EDITION)

Gather your team of heroes and monsters and enter the dungeon in *Cave Troll*! In this classic board game of strategic positioning, two to four players command heroes and monsters, moving them through a dungeon labyrinth to claim ancient treasures. Your heroes establish your dominion over certain dungeon rooms, while your monsters disrupt your opponent's plans and slay his heroes. Every game of *Cave Troll* challenges you to spend your limited actions to achieve the greatest possible advantage. By deploying your heroes and monsters wisely, you'll seize more gold than your opponents and claim victory! (STK679657) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.

SPOTLIGHT ON

STAR WARS: ARMADA— IMPERIAL-CLASS STAR DESTROYER EXPANSION

At the height of the Galactic Civil War, the Imperial-class Star Destroyer was the commanding cornerstone of the Imperial Navy, boasting enough firepower to bring wayward systems to heel under Imperial rule. The *Imperial-class Star Destroyer Expansion Pack* brings this behemoth battleship to your games of *Star Wars: Armada* with one pre-painted miniature, two ship cards, three command dials, eighteen upgrades, and all requisite tokens. Additionally, its upgrades allow you to snare your foes with a tractor beam and fly your fleet to battle under the command of Darth Vader. (STK679658) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.

Expansion Pack\$49.95

STAR WARS: ARMADA—IMPERIAL RAIDER EXPANSION

The Raider-class corvette is the Empire's response to the need for a designated anti-fighter vessel. The *Imperial Raider Expansion Pack* brings this ship's six dual heavy laser cannons to *Star Wars: Armada*, where its utility against snubfighters and the disruptive effects of its ion cannon emplacements, along with the efficiency of its localized command, make it a powerful addition to any Imperial fleet. In addition to its pre-painted, small-base Raider miniature, this expansion introduces eight upgrade cards, a command dial, speed dial, and all requisite tokens. (STK679659) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.

ATELIER ESCHA & LOGY: ALCHEMISTS OF THE DUSK SKY

Ever since she was a little girl, Escha Malier has held two dreams in her heart: to become an Alchemist like her late mother, and to one day explore the mysterious ruins that float in the sky above her home town. Now, after years of study, she's ready to make the first dream come true, working in the R&D branch of her town's Alchemy department. However, while she has all of the knowledge and skills required to meet the job head on, she's not quite as ready for new coworker, Logix "Logy" Fiscario. They seem to be such total opposites, in everything from their attitudes on life to the tools they prefer. Not to mention that he's from the well-populated central region, while she's always lived out on the very edge of what's left of civilization. But as contaminants and pollution threaten the farmlands that keep their people alive, they'll have to work together to seek out the causes and protect their people from the blight and dust that has consumed most of the world. Because sometimes, when one person alone can't save the world, two of them, working in harmony, can. Available in Blu-Ray and DVD formats. (STK679381) (C: 0-1-1)

CAPTAIN EARTH COLLECTION 2

Things are looking grim for Earth's defenders. Although Daichi and Teppai have managed to slow or stop most of the Planetary Gear's direct attacks so far using their Impacters and Livlasters, there's no denying that the numbers are slowly turning against them. Not only have their opponents managed to recruit a half dozen of the Designer Children, but now new cracks are forming in the Midsummer's Knights' own alliance. During a brief break at the seaside, Hana's confusion over her own nature and her relationship with Daichi comes to a head, leading to an unexpected revelation. But as stunned as Daichi might be, it's nothing compared to the shock that Kube is about to receive at the hands of his own allies. Twists, betrayals and amazing new powers are about to be unleashed, a new Livlaster joins the Knights, and Setsuna finally comes out of seclusion to let loose her own brand of mayhem as the war for Earth's Orgone energy builds to the inevitable climax. It's anyone's guess as to who'll come out on top as the final battle for our planet explodes in the world-shattering second collection of *Captain Earth*! Available in Blu-Ray and DVD formats. FAMILIAR OF ZERO F SEASON 4 COLLECTION

Their relationship has been building ever since she first accidentally kidnapped him from Earth, but, even with all they've been through together, are Saito and Louise ready to take their relationship to the next level? The answer, sadly, will have to wait, as once again events in Halkeginia are running out of control and Saito and Louise find themselves, along with several other Void Mages, pressed into service to save the world. And while any mission involving Void Magic is sure to suck at some point, the suck-age is certain to be compounded by the fact that one of the mages they'll be working with is the amply endowed elf Tiffania. Who may have designs on getting familiar with Saito herself. Betrayals, reversals and the inevitable side trip to the hot springs lie ahead as the evil plots get plottier, the dysfunctional relationships get even more dysfunctional and lots of stuff

goes BOOM for only vaguely justifiable reasons! It's the epic fourth, and quite possibly final, installment of the acclaimed comedy series, so almost anything that can happen, probably WILL happen in *Familiar of Zero F*! Available in Blu-Ray and DVD formats. (STK679391) (C: 0-1-1)

GUARDIAN NINJA MAMORU COMPLETE COLLECTION

Like many high school students, Kagemori Mamoru is obsessed with a girl. Unlike most students, however, the main reason that Mamoru is so focused on Konnyaku Yuna is because his family has spent the last 400 years protecting her family from every kind of threat imaginable. (This is what happens when one of your ancestors swears a binding oath and you're a family of ninjas!) Unfortunately, Mamoru's job is made much more difficult by the fact that Yuna is incredibly clueless and accident prone, forcing him to work around the clock keeping his oblivious childhood friend from accidentally offing herself. And it's made doubly more difficult given that Mamoru has to perform his protecting duties in secret, so he has to pretend to be a lot less competent and skillful than he really is when not in full ninja garb. And just to make things absolutely impossible, the complexity level gets quintupled and escalates as the school inexplicably begins to fill with girls with various ninja and magical-type skills who seem to have their eyes on Mamoru himself! Study hall will never be the same as high school shenanigans collide with shurikens in *Guardian Ninja Mamoru*! (STK679396) (C: 0-1-1)

HAIKYU COLLECTION 2

In the wake of the blistering practice match against the Nekoma High School team, the Karasuno High School volleyball squad digs in and vows to bring their game up another level. Prior to the arrival of the new freshmen, the general belief was that Karasuno's day in the sun was over, but while the ongoing rivalry between Hinata and Kageyama has inspired everyone to push themselves even further, there's still a lot of friction that's ultimately slowing down their game. It's not until the announcement of the brackets for the Inter-School tourney are announced that the reality of what they are attempting to do finally takes hold. As talented as each of the team members may be individually, they have no chance of winning unless they can finally come together as a seamless unit. Can Hinata and Kageyama put their battle for dominance on hold long enough to take on the overwhelming brilliance of the Aoba Johsai squad? The aces are high and the kills are merciless as Karasuno explodes off the court in the second thundering collection of *Haikyuu*! Available in Blu-Ray and DVD formats. (STK679426)

HAYATE THE COMBAT BUTLER SEASON 1 COLLECTION

Could Hayate Ayasaki's life get any unluckier? As if it wasn't bad enough that he's had to work constantly in order to support his good-for-nothing parents, now he's lost his job for being underage and Mom and Pop have cashed in their cash cow by selling him to the Yakuza. For Christmas! Desperate to pay off the 156,804,000 yen debt before he's converted into black market organ parts, Hayate strikes on the idea of kidnapping oddball heiress Nagi Sanzenin. Unbelievably, however, even that goes wrong, and not only does he end up not kidnapping her, he rescues her from other kidnappers! (Apparently this happens to her all the time...) But maybe, just maybe... there might be a tiny, dim light at the end of the very dark tunnel of Hayate's existence, and the skills that Hayate's had to develop to stay alive will pay off! Because Nagi needs a butler/bodyguard, and Hayate could just fit the bill — assuming he can survive the on-the-job training, of course. Fate can be a harsh mistress, but Hayate may have just signed up with an even harsher one as the epic comedy series begins in *Hayate the Combat Butler*! Available in Blu-Ray and DVD formats. IS THE ORDER A RABBIT? COMPLETE COLLECTION

Coming to a new town to start high school can be intimidating, and that's especially true for Cocoa, who can't find the place she's supposed to be staying when she arrives. When she stops at a cafe to ask for directions, however, it turns out that she's already where she needs to be! You see, the Rabbit House is both a restaurant and a boarding house, and Cocoa will be working there along with the owner's granddaughter, Chino and the strangely military-obsessed Rize. It's a great place to work, business is hopping, and Cocoa's fits right in with her new coworkers, as well as the girls from two other rival cafes. Still, there is something just a little odd about the Rabbit House. Besides the fact that Rize usually carries a Glock and a knife hidden on her, there's also a mystery involving

the shop's pet rabbit, Tipsey. And then there are those girls who sometimes seem to be able to communicate without talking... The answer to these secrets may not always be *hare-raising*, but they're bound to keep Cocoa jumping as the fun never stops in *Is the Order a Rabbit?* Available in Blu-Ray and DVD formats. KAMIGAMI NO ASOBI

Yui Kusanagi isn't sure what to do after high school, but when Zeus decides that the Gods have lost touch with the mortal world, he stages a bit of divine intervention and places Yui on the path to education! Okay, it's more like he drops her into a mysterious garden and tasks her with teaching eight moody and extremely hot young Gods about life, humanity and love. Or else. That's quite a burden for any mortal girl, especially when the gorgeous Godly gaggle are eight heavy hitters from Greek, Norse, Egyptian and Japanese mythology: Appollon, Hades, Dionysus, Thor, Loki, Balder, Thoth, Anubis, Susano, and Tsukiyomi! But while they're all afflicted with the angst and capricious whims one might expect from such immortal archetypes, and while their "schooling" is further hampered as the mysterious world they're all trapped in keeps changing unexpectedly, Yui's going to give this her all. Why? Maybe because she's the only girl they're going to see in at least a year and did we mention that they're all totally babe-a-licious? Prepare to say O.M.G. with multiple Os and eight different Gs as higher education hits the highest plane in *Kamigami No Asobi*! Available in Blu-Ray and DVD formats. (STK679439) (C: 0-1-1)

LOVE, CHUNIBYO & OTHER DELUSIONS—HEART THROB COMPLETE COLLECTION

Yuta Togashi thought he had problems dealing with one delusional girlfriend in the person of Rikka Takanashi, but now things are about to go totally insane as his FORMER "one true soul mate" from when he was a chunibi himself returns with a vengeance! So how bad is Satone Shichi-miya's re-entry into Togashi's chuni-verse likely to be? Let's just say that she's so epically off the deep end of the chuni-scale that she prefers to use the name Sophia Ring SP Saturn VII and that she'll joyfully tear Togashi's real world to pieces in order to get him back in her imaginary one! Some girls just want to have fun and some want to break down the walls between their boyfriends and themselves. But when a girl's idea of fun is breaking down the wall between their presumed boyfriend and reality, retreating into a fantasy world might just be Togashi's best option. Especially since Satone knows where ALL the skeletons from his past are buried. Toss Rikka's equally delusional friend Sanae into the mix and girl-crazy takes on a whole new meaning in *Love, Chunibyo & Other Delusions—Heart Throb*! (STK679440) (C: 0-1-1)

NO GAME, NO LIFE COLLECTOR'S EDITION

On the Internet, they're legends: the tag-team duo known as "Blank", famed for their incredible game-playing skills. In the real world, however, the lives of 18-year-old Sora and his 11-year-old stepsister, Shiro, have been spiraling out of control. Now existing as shut-ins, they rarely leave their house and are unable to be separated without suffering panic attacks. Games, for them, are the safest retreat from reality. Until they win a chess match against a mysterious opponent known as "Tel" and find themselves pulled into a game bigger than any they could have ever imagined! Now, in a world where the outcome of games determines the fates of both civilizations and species, they must defend Humanity in the ultimate challenge: vying against a host of otherworldly competitors for the right to rule them all! But if they fail, it means slavery or destruction for all mankind! No pressure, of course! Can two misfits who

can barely handle their own lives somehow rise to the occasion and save the human race? The competition is on as their battles begin in *No Game, No Life*! Combo Pack includes both Blu-Ray and DVD formats. Also available in single Blu-Ray and DVD formats. (STK679409) (C: 0-1-1)

THE KAWAI COMPLEX GUIDE TO MANORS & HOSTEL BEHAVIOR

Some say a home is where your heart is. Others say that a home is where you send people whose brains aren't functioning quite properly. So, when Kazunari Usa's parents send him to the Kawai Boarding House while they work abroad, it may take a while to figure out whether this is really his new home, let alone what kind of home it is. On the one hand, his new roommate is a pervert and a masochist who peeps at girls' schools, while his new landlady thinks leaving a variety of weapons lying around the girl's area is a proper form of feminine protection. And when it comes to the trouble-making college girl and the perpetually grumpy working woman... well, let's just say that those two have some serious issues to work out. On the other hand, Kawai is also home to Ritsu Kawai, who stole Usa's heart from the first second he saw her on his first day at his new high

school. And that alone may just make living in this strange new house worth every second it takes to learn the complex rules of *The Kawai Complex Guide to Manors & Hostel Behavior*! (STK679434) (C: 0-1-1)

ONE WEEK FRIENDS COMPLETE COLLECTION

Every lifetime is composed of millions of memories... but what happens if those memories don't all connect? When Yuki Hase notices that Kaori Fujimiya seems to be alone and friendless at his school, he immediately wants to reach out to her. Much to his surprise, though, his overtures are turned down, and he's completely stunned when he finds out why: it seems that ever since she was in a tragic accident, Kaori has been losing part of her memory every Monday, including all her recollection of everyone who's become her friend. It's not that she doesn't want friends, but that she can't remember having any! That's not enough of an obstacle for Yuki, however, and he becomes determined to make friends with Kaori every week. Because while most memories fade, there are some that — if you believe strongly enough and never give up — might just be able to last forever. Prepare to fall in love, over and over again, as the age-old story of boy meets girl repeats itself every week in *One Week Friends*! Available in Blu-Ray and DVD formats. (STK679389) (C: 0-1-1)

SAKURA TRICK COMPLETE COLLECTION

Haruka and Yuu have been best friends forever and they've always sat next to each other in class since... well, since they were just girls in junior high anyway. But on their first day of high school, they're stunned to learn that the new seating plan has them on opposite sides of the classroom! So, since everyone knows that long distance relationships won't work unless the parties involved put extra effort into it, they decide they need to do something extra special to permanently seal their friendship. However, deciding to kiss each other awakens a whole new level of feelings, and it doesn't help that some of their classmates seem to be "involved" in similar circumstances. So what's a girl to do when her best girl friend suddenly seems more like a girlfriend? It's a life lesson that the school curriculum isn't normally prepared to teach (except maybe in French class), and our two young heroines are about to get a private education you'll never forget! Discover the truth about the birds and the... er... birds, as two young ladies learn to deal with the pros and cons of intramural osculation in *Sakura Trick*! (STK679415) (C: 0-1-1)

SPACE BROTHERS: THE COMPLETE SEASON FOUR

In the unforgiving vacuum of space, the difference between life and death can boil down to a single bad decision or a millisecond of delay. And when the nearest help is as far away as another planet, the only one you can trust to save you is yourself. This lesson is driven home in the most brutal fashion possible as a series of accidents strand Mutta's brother Hibito and another astronaut on the lunar surface. As Hibito fights to keep his injured companion alive, Mutta must join a team of scientists and fellow astronauts as they struggle to find a way to locate and save their friends before their critical oxygen reserves run out. And if that wasn't enough of a test, Mutta's entry into JAXA training becomes its own ordeal when he and his fellow trainees are dropped into the survival test course on an accelerated schedule. Foraging for food and facing wild animals on one planet, and fighting for one's last breath on its satellite, two brothers worlds apart find common ground in the fight to stay alive in *Space Brothers Collection 4*! VAMPIRE HUNTER D OVA

For 10,000 years, Count Magnus Lee has walked the night, sustained by an unholy thirst for blood and an unending lust for human women. But when he tastes the sweet nectar running through Doris Lang's veins, the Count knows he has found more than his next meal: this is the woman he intends to claim as his next vampire bride! As the daughter of a werewolf hunter, however, Doris Lang is less than willing to step into the thrall of evil. And if she is unable to defend herself from the Count's nightmarish powers, she is fortunate enough to have found someone who can: the Vampire Hunter known as "D". But D is no ordinary man, and signing up for his protection may carry a price of its own! Driven by the art of acclaimed designer Yoshitaka Amano (*Final Fantasy I-IV*, the Hugo-nominated *Neil Gaiman's The Sandman: The Dream Hunters*), this is the epic animated fantasy that spawned multiple sequels and helped launch the anime revolution. Remastered in high-definition from the original elements and featuring upgraded audio tracks, it's the legendary classic as you've never seen it before in *Vampire Hunter D*! As half of her school's very small digital camera club, Nao Ueshima is obsessed with taking photos. What's a bit unusual, however, is her favorite choice of subject: the sky. Unfortunately, when you spend all of your time looking up in the air, sometimes you lose track of where your feet are headed. As a result some very unusual things start to happen to Nao. Discovering a cat on top of her favorite rooftop one day, Nao is startled when it suddenly flies away on the wind. Flies, not falls! Even more startling, however, is what happens when Nao falls off the roof herself! Instead of being killed or hurt, Nao makes the most remarkable discovery: There are people who know how to control the flow of the wind! And one of them is one of her teachers! Suddenly school becomes much more interesting as Nao and her friends learn the secrets of everything from Air to Zephyr, and in between they'll also discover a lot about themselves as well. DISNEY/PIXAR'S INSIDE OUT

Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions — Joy (Amy Poehler), Fear (Bill Hader), Anger (Lewis Black), Disgust (Mindy Kaling) and Sadness (Phyllis Smith). The emotions live in "Headquarters", the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school in Pixar's latest release. ABOMINATIONS OF HUMANITY: THE EVIL WITHIN

Man is a unique beast in nature because he takes joy in the known suffering of other sentient beings and hunts for fun and profit. This is the history of mankind's abuse of his own species. Ever since man became conscious of his own existence, he has experimented with death and torture. He has imagined and invented all-manner of sick and twisted ways of inflicting pain and suffering. Even under the cover of medical advancement, mankind has ignored the brutality of his own actions and excused himself. He has a remarkable ability to hide from himself and others the nature of the beast within. When the innocent animals of the world refused to give answers, man turned on himself and human experimentation began. This is the history of mankind's abuse of his own species, the tale from the dark side of science — this is about *The Evil Within*. VAMPIRA: THE MOVIE

"Vampira was the first exaggerated woman I ever yearned to meet. As a child, she never looked scary to me; I thought she was pretty." —John Waters.

Vampira: The Movie chronicles the story of Maila Nurmi, an actress living on the very edge of show business, and her rise to celluloid cultdom 50 years later. Her big break came in 1954 when she played the glamour ghoul "Vampira", emerging from the mist to greet viewers of obscure horror movies on the new medium — television. Her newfound fame led to friendships with Marlon Brando, James Dean and Anthony Perkins. Following the abrupt cancellation of her TV show, Nurmi later appeared again as Vampira in the 1959 low-budget horror/sci-fi film, *Plan 9 from Outer Space*, directed by Edward D. Wood, Jr., known by many as arguably "the worst film of all time." But you can't keep a good vampire down, and Nurmi's character rose from the dead again in 1993's *Ed Wood*, directed by Tim Burton and starring Johnny Depp. The movie renewed interest in Maila Nurmi and she has since achieved a Bettie Page-like cult status. HAUNTED HOLLYWOOD

The Roaring Twenties end in a SCREAM when the first talking movie debuts. The world's biggest female silent movie star, Rose Pettigrew, goes on a killing spree when she loses her studio contract, murdering her friends and co-stars — Tubby Fitzgerald, the comedian, Erik Burke, the horror icon, and Sonny Barnes (Eric Roberts), the cowboy — before taking her own life. Rose's mansion has stood empty for decades, but when two realtors Reese (Jessica Morris) and Danni (Ariana Madix) finally buy the house to remodel and sell it, they discover that there are more than skeletons in the closets! Haunted by the ghosts of a bygone era, the girls quickly find that they have been cast in a nightmare that will never end. Get ready for your close-up, 'cause it's "Lights... Camera... Die!" GIRLS AND CORPSES PRESENTS: THE MEAT PUPPET

Andrew "Drew" Shelton appears to have it all... Looks. Money. Women. But behind that charming smile lies an unimaginable evil. An abusive childhood has turned him into an impulsive, delusional sociopath who has developed an insatiable appetite for beautiful women's flesh. As the bodies pile up and a gung-ho detective starts stalking him, Andrew descends deeper into madness. His obsession with one woman might be the only chance to stop him from serving up his next victim. Or will she fall prey and become the next main course? HORROR

A PLAGUE SO PLEASANT

In the near future, zombies have become a protected, endangered species, held in captivity and legally wandering the streets free from harm by the living. But for the loved ones of those who die, sometimes coping is just too much to handle, especially when not everyone feels the dead have a right to exist, and are willing to break the law to rid the world of this new population of the dead. HILLBILLY HORROR SHOW VOLUME 2

Hillbilly Horror Show Volume 2 keeps this horror anthology series rolling, starting with the darkly hilarious short, *Help Wanted*, which is guaranteed to make you rethink searching for a new job! Next up, we explore the war between vampires and angels in the slick action-horror flick, *BloodTraffic* (Winner—"Best Actress", Grace Huang, HollyShorts Film Festival). For the third short, we find a ghostly, modern day western called *The Deed*. Look close, because that cowboy seems awful familiar... Finally, *Volume 2* caps off with the chilling horror-fantasy, *Rose White*. Trust us when we tell you that this fairytale doesn't have a happy ending! Once again, our favorite hillbillies, Bo & Cephus, are along for the ride, providing plenty of laughs in between, along with their smokin' hot, kissin' cousin, Lulul (STK678115) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

HILLBILLY HORROR SHOW VOLUME 3

This third installment of the popular series features our favorite Hillbillies, Bo (Bo Keister), Cephus (Scott Geiter), and Smokin' Hot Cousin Lulu (Rachel Faulkner) introducing four truly creepy short films: *Get Off My Porch*, directed by Patrick Rea, is about a man harrassed by two devilish girl scouts. It's cookie-selling time, and these girls won't take no for an answer! *Divination*, directed by JT Seaton, tells the story of a fake psychic who has been performing bogus seances for years. One night, a young woman comes in for a reading... but she's there for another reason. *Fallow*, directed by Kyle Hytonen, takes us along on a young couple's idyllic summer camping trip—From Hell! Finally, *Modern Grumble* is an odd coming-of-age tale directed by Toby Venable. Could this young monster also be a messiah? (STK678116) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

THE HORROR OF H.P. LOVECRAFT

A dark and fascinating anthology featuring short films inspired by the worlds of H.P. Lovecraft. An investigative journalist tries to unravel the mysteries of the enigmatic horror author, but as he digs deeper into the rich world of Lovecraftian legend, several strange and macabre stories unfold before his eyes as he is dragged further into Lovecraft's world of monsters, magic and murder! (STK678102) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

HOUSE ON THE HILL

Based on a true story, *House On The Hill* is a true crime account with strong horror elements, chronicling the outrageous 1980s murder spree of serial killer Leonard Lake, who would target, kidnap, rob and kill people — even entire families. Private investigator Paul Kale locates the only survivor of Lake's killing spree, who is living in seclusion years after her escape from Lake's 'sex slave' compound. She and Paul reluctantly team up to uncover the fate of a woman who disappeared into Lake's house of horrors. In the process, Sonia recounts her experiences and relates the murder and abuse she witness, where Lake and his accomplice would force her to video tape the kidnappings and killings. MORBID

In this low budget '80s slasher homage, a small Tennessee town becomes the playground for a sadistic, masked killer. But with the town's sheriff and locals more worried about the big high school football game than getting to the bottom of the murders, a detective from out of town must rush to save the lives of a group of teens throwing a party in the middle of all the mayhem. REMINISCENCE: THE BEGINNING

There are worlds, there are humans and there are Others. But there is only one Time which is the border between worlds. What if time breaks down? Slovakian physicist Michaela, discovers a new fact on magnetic fields and time-breaks, after her long research. According to her calculations, she has discovered that every six years, intersections between planetary coordinates causes temporary gravity fields throughout the solar system. These gravity fields break time itself for a very short period and can make a gateway to a black hole. One set of coordinates estimates that one of these gravity fields will occur on Earth, in a town called Cesme in Turkey. To examine this event, Michaela and her boyfriend take a trip from Slovakia to Cesme. What they will face there is much more than they ever could have expected... TOXIC AVENGER PART II

Toxie's mean, green, and back on the screen! Melvin Junko was a nerdy, 98-pound weakling. That is, until he fell into a vat of toxic waste, transforming him into the first-ever superhuman superhero from New Jersey — *The Toxic Avenger!* In *The Toxic Avenger Part II*, the hideously deformed creature of superhuman size and strength takes on Tokyo in a spectacular sequel with even more ingenious special effects, even more bizarre action, and even more unbelievably famous fight scenes. He's come a long way from Tromaville, baby! Combo Pack includes both Blu-Ray and DVD formats. (STK679371) (C: 0-1-1)

THE VAMPIRE JOURNALS

I am God's most desolate creature... a vampire with a mortal's heart. I destroyed the one who spawned me and I have sworn to destroy her entire bloodline... the ones who stole me from the warmth of the sun. For centuries I have traveled the Earth, hunting my master's master — Ash, the music lover. I found him in Bucharest, stalking an innocent concert pianist named Sofia. She led me to his lair, a nest of decadence. Each moment I delayed brought her closer to eternal damnation... DEMONS: 30TH ANNIVERSARY EDITION OST CD

The definitive 30th anniversary release of the iconic cult horror film soundtrack composed by Claudio Simonetti for the horror/gore classic, *Demons*, directed by Lamberto Bava and produced by Dario Argento. The lower tones as the main characters move through the darkened theater give a distinctly creepy air to the movie; a distinctly frightening melody characterizes the transformation sequences as the second prostitute slowly becomes a demon. The same melody appears throughout the film in different places. This *Demons* release includes previously unreleased songs, 2 video clips, the bonus CD "Soundtrack Remixed" remixes by Ohgr, Bahntier, Leaether Strip, Chris Alexander, The Devil & The Universe and many others, plus some very special gadgets. Available in a standard *Digipak* edition; a special *Limited Tin* box edition of 299 copies featuring the CD plus a silver pin, postcards, and a bonus CD with additional remixes; or in a *Limited Blue Vinyl* pressing, limited to 666 copies plus a bonus poster! JOURNEY TO SPACE OST CD

In the past half century, humans have punched through the stratosphere, walked on the moon, and lived continuously in orbit. In the coming decades, our unquenchable curiosity will take our species beyond the cradle of Earth to touch the face of another world. Strap in for the next giant leap. Next stop ... Mars! *Journey to Space* is the new documentary narrated by Patrick Stewart, detailing NASA's plans for mankind's coming exploration of our universe. This CD presents the complete motion picture composed by Cody Westheimer, noted film and television composer. (STK678127) (C: 0-1-1) CD \$18.99

LEGEND: TANGERINE DREAM CD

Composer/arranger Brandon K. Verrett has created a new performance of Tangerine Dream's music for *Legend*, keeping an eye toward respect for their original performances and an ear toward the sounds of today's technology. To prepare for the project, composer Brandon K. Verrett thoroughly studied Tangerine Dream's complete score. His intention for the new recording was to stay true to the familiar soundtrack performances of the original score but to do so while retaining the freedom to put his own musical stamp on the presentation. (STK678117) (C: 0-1-1) CD \$15.99

PUPPET MASTER 1 & 2 OST CD

The secret of life has been discovered by master puppeteer Andre Toulon. But we quickly discover Toulon's secret of death in the form of five killer puppets — each one uniquely qualified for murder and mayhem! This CD features Charles Band's original soundtrack recording for *Puppet Master* and its direct sequel. (STK678124) (C: 0-1-1) CD \$19.99

THE X-FILES: 20TH ANNIVERSARY CELEBRATION BY JOHN BEAL

The album features music composed by Mark Snow and is produced and arranged by Dominik Hauser, Joohyun Park, and John Beal, recorded with respect toward Snow's original musical intentions and replicated faithfully to convey the essence of *The X-Files* in a single collection. Drawn from specific episodes of the TV show and both feature films, this presentation covers the provocative stylistic musical variations used throughout the series' history. PREVIEWS

Here at *PREVIEWS*, we love ourselves some video games... some of us can even remember the "Good Old Days" of the Atari 2600, Intellivision, and the Vectrex (look it up!). We also remember how video games began to enter the comic book market, merely as advertisers at first, but soon becoming the subjects of comic books themselves like Valiant's early '90s *Nintendo Comics System* and Marvel's *Quest Probe* series, among others. These days, there are plenty of Video Game comic books, *Halo*, *Dragon Age*, *Tomb Raider*, *Street Fighter*, and *Assassin's Creed* come readily to mind. There are also plenty of Comic Book video games. Much like the movies, Comics have proven to be an ample and fertile source for video games, and there seems to be no end in sight for these comic book adventures.

In honor of our VIDEO GAME MONTH, we decided to tally our own list of the top ten greatest comic book video games... so far. You may or may not agree with our choices (we know there are a bunch not represented here), but we think these ten games have left their marks on the hobby and are some of the most popular with players and fans alike!

THE WALKING DEAD OMNIBUS VOL. 1 HC

(SEP110441/\$100)

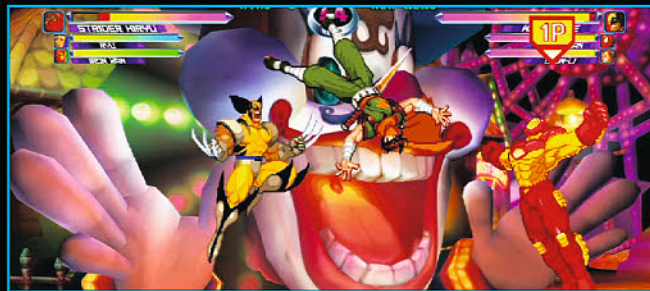

BATMAN: ARKHAM ASYLUM—*Batman: Arkham Asylum* was the first game to make you truly feel like Batman. Complemented by a decent sampling of Batman's Rogue's Gallery, a gripping storyline crafted by *Batman: The Animated Series*' Paul Dini, and featuring the return of Mark Hamill as the voice of The Joker, *Arkham Asylum* brought superhero video game adaptations to an all-new level!

BATMAN: ARKHAM ASYLUM—

25TH ANNIV. DLX ED. TP (JUN140278/\$19.99)

MARVEL VS. CAPCOM 2: NEW AGE OF HEROES—

Lauded for its complex fighting mechanics and huge character roster, this legendary fighting game takes you for a ride with the kinetic battles between Marvel characters like Spider-Man and Capcom characters like Mega Man. With a massive community of players still battling it out each year at tournaments like the Evo Championship Series, MVC 2's long lasting legacy is hard to match.

[Play the Game, Read the Book:](#)

TOO MANY FROM WHICH TO CHOOSE!

BATMAN: ARKHAM CITY—This direct sequel to *Arkham Asylum* added an open world design and even more villains to the mix, refining the winning formula introduced in the first game while expanding the ever-expanding "Arkham" mythology in the process.

[Play the Game, Read the Book:](#)

BATMAN: ARKHAM CITY TP (JUN120243/\$16.99)

SAM AND MAX HIT THE ROAD—Based on Steve Purcell's cult-classic comic book series, this LucasArts adventure game perfectly captured the humor and style of Purcell's "Freelance Police".

CURRENTLY (AND SADLY) OUT OF PRINT!

FLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPside

THE DARKNESS—This early Xbox 360/PS3 gem from developer Starbreeze Studios came hot off the heels of their critically acclaimed *Chronicles of Riddick* game (a classic in its own right!) and managed to deliver a unique take on the first-person shooter with its mix of violent guns-vs.-Darkness mechanics paired with quiet and meaningful character development.

[Play the Game, Read the Book:](#)

THE DARKNESS: ACCURSED VOL. 1 TP
(NOV088169/\$9.99)

FABLES: THE WOLF AMONG US—Fresh from their success with *The Walking Dead Seasons 1 & 2*, Telltale Games went back to the comics for this unique murder mystery game that acted as a prequel or sorts for Bill Willingham's Vertigo Comics series, *Fables*, faithfully reproducing Fabletown and its storybook inhabitants in an adventure game setting.

[Play the Game, Read the Book:](#)

FABLES: THE WOLF AMONG US VOL. 1 TP
(COMING JANUARY 2016!)

MARVEL ULTIMATE ALLIANCE—Steeped in Marvel Comics lore, this top-down *Diablo*-style RPG/battler won over the hearts and minds of Marvel fans with fun co-op gameplay and one of the largest rosters of playable characters featured in a video game.

[Play the Game, Read the Book:](#)

TOO MANY FROM WHICH TO CHOOSE!

LEGO MARVEL SUPERHEROES—The LEGO game formula paired with a huge open world and an enormous cast of Marvel Comics characters made this blocky take on the Marvel Universe something fans of all ages could enjoy... and revisit often!

[Play the Game, Read the Book:](#)

TOO MANY FROM WHICH TO CHOOSE!

SCOTT PILGRIM VS. THE WORLD: THE GAME—Released as a digital exclusive alongside Edgar Wright's big screen adaptation of *Scott Pilgrim vs. The World*, this beautifully drawn ode to classic arcade beat-em-ups pairs an amazing soundtrack by Anamanaguchi with copious amounts of in-jokes and references to Bryan Lee O'Malley's seminal comic series. Put it all together, and it defines the *Scott Pilgrim* game as much more than just a movie tie-in, but a love letter to the entire series!
